Components	Y	N	NA	Remarks
The facility provides a designated law library for detainee use.	⊠			
The law library contains all materials listed in the "Access to Legal Materials" Standard, Attachment A. The listing of materials is posted in the law library.				
The library contains a sufficient number of chairs, is well lit and is reasonably isolated from noisy areas.	\boxtimes			
The law library is adequately equipped with typewriter, computers or both and has sufficient supplies for daily use by the detainees.	×			Extensive selection of published legal books and update subscription
In lieu of/or in addition to the physical law library, ICE detainees have access to the Lexus Nexus electronic law library.			×	
The Lexus Nexus library is updated and is current.			\boxtimes	
Outside persons and organizations are permitted to submit published legal material for inclusion in the legal library. Outside published material is forwarded and reviewed by the ICE prior to inclusion.				
There is a designated ICE or facility employee who inspects, updates, and maintain/replace legal material and equipment on a routine basis. The designee properly disposes outdated supplements and replaces damaged or missing material promptly.	×			
Detainees are offered a minimum 5 hours per week in the law library. Detainees are not required to forego recreation time in lieu of library usage. Detainees facing a court deadline are given priority use of the law library.	X			
Detainees may request material not currently in the law library. Each request is reviewed and where appropriate an acquisition request is initiate and timely pursued. Request for copies of court decisions are accommodated within 3 – 5 business days.				
The facility permits detainees to assist other detainees, voluntarily and free of charge, in researching and preparing legal documents, consistent with security.	×			
Staff ensures that illiterate or non-English-speaking detainees without legal representation receive more than access to English-language law books after indicating their need for help.	⊠			
Detainees may retain a reasonable amount of personal legal material in the general population and in the special management unit. Stored legal materials are accessible within 24 hours of a written request.	⊠			
Detainees housed in Administrative Segregation and Disciplinary Segregation units have the same law library access as the general population, barring security concerns. Detainees denied access to legal materials are documented and reviewed routinely for lifting of sanctions.				
All denials of access to the law library fully documented

ADMISSION AND) RELE	ASE							
Policy: All detainees will be admitted and released in a manner that ensures their health, safety, and welfare. The admissions procedure will, among other things include medical screening, a file-based assessment and classification process; a body search; and a search of personal belongings, which will be inventoried, documented, and safeguarded as necessary.									
Components	Υ	N	NA	Remarks					
In processing includes an orientation of the facility. The orientation includes; Unacceptable activities and behavior, and corresponding sanctions. How to contact ICE. The availability of <i>pro bono</i> legal services, and how to pursue such services. Schedule of programs, services, daily activities, including visitation, telephone usage, mail service, religious programs, count procedures, access to and use of the law library and the general library; sick-call procedures, etc., and the detainee handbook.									
Medical screenings are performed by a medical staff <u>or</u> persons who have received specialized training for the purpose of conducting an initial health screening.	Ø								
When available, accompanying documentation is used to identify and classify each new arrival.	×			Documentation is computerized					
All new arrivals are searched in accordance with the "Detainee Search" standard. An officer of the same sex as the detainee conducts the search and the search is conducted in an area that affords as much privacy as possible.	×								
Detainees are stripped searched only when cause has been established and not as routine policy. Non-criminal detainees are never strip-searched but are patted down unless cause or reasonable suspicion has been established.	х								
The "Contraband" standard governs all personal property searches. IGSAs/CDFs use or have a similar contraband standard. Staff prepares a complete inventory of each detainee's possessions. The detainee receives a copy.									
Staff completes Form I-387 or similar form for CDFs and IGSAs for every lost or missing property claim. Facilities forward all I-387 claims to ICE.									
Detainees are issued appropriate and sufficient clothing and bedding for the climatic conditions.									
The facility provides and replenishes personal hygiene items as needed. Gender-specific items are available. ICE Detainees are not charged for these items.									
All releases are coordinated with ICE. Staff completes paperwork/forms for release as required.	X X

SUBJECT:

CCA Silverdale Correctional Facility, 2006 Annual Detention Review

The New Orleans Field Office, Office of Detention and Removal conducted a detention review of the CCA Silverdale Correctional Facility on March 8, 2006. This review was conducted by IEA and (b)(6), (b)(7)c. This facility is used for detainees requiring housing over 72 hours.

Type of Review:

This review is a scheduled Operational Review to determine general compliance with established Immigration and Customs Enforcement (ICE) National Detention Standards. The last review of this facility was in May 2004.

Review Summary:

The facility is accredited by the Tennessee Corrections Institute. The facility was inspected in March 2005. CCA Silverdale Correctional Facility serves the needs of ICE officers for the Chattanooga, Tennessee Quick Response Team.

Review Findings:

The following information summarizes those standards <u>not</u> in compliance. Each standard is identified and a short summary provided regarding standards or procedures not currently in compliance.

Compliant - 35
Deficient - 0
At-Risk - 0
Non-Applicable - 4

Subject: Detention Row Summary Report

Page 2

Standards Summary Findings:

The facility is in compliance with all standards.

RIC Observations:

Facility Staff: The staff was extremely well versed in policy and procedure at this location. Staff exhibited confidence and courtesy throughout the review. The team commends the efforts and accomplishments of the Facility staff.

Security Staff: The staff exhibited professionalism. The staff was questioned regarding their policy and procedures. The staff's initial orientation and continued training allows them to operate the facility in a calm and orderly fashion. The Security staff was eager to display their abilities and working knowledge of facility operations.

The facility is in the process of changing their property storage system. Even though their current policy meets standards, they acknowledge that they were weak in this area. They are changing in order to make it easier for staff and to have complete accountability of detainee property.

RIC Issues and Concerns

There were no issues and concerns during this review.

Recommended Rating and Justification:

It is the Reviewer in Charge recommendation that the facility receive a rating of "Good". The facility fully implements ICE Detention Standards. The facility fully complies with all standards.

RIC Assurance Statement:

All findings of this review have been documented on Form G-324A and are supported by the written documentation contained in the review file.

Significant Incident Summary Worksheet

For ICE to complete its review of your facility, the following information <u>must be completed</u> prior to the scheduled review dates. The information on this form should contain data for the past twelve months in the boxes provided. The information on this form is used in conjunction with the ICE Detention Standards in assessing your Detention Operations against the needs of the ICE and its detained population. This form should be filled out by the facility prior to the start of any inspection. Failure to complete this section will result in a delay in processing this report and the possible reduction or removal of ICE' detainees at your facility.

MEMORANDUM FOR: Craig Robinson

Field Office Director

New Orleans Field Offige (b)(6), (b)(7)c

FROM:

(b)(6), (b)(7)c

Acting Director

SUBJECT:

CCA Silverdale Correctional Facility Annual Detention Review

The review of the CCA Silverdale Correctional Facility conducted on March 8, 2006, in Chattanooga, Tennessee has been received. A final rating of <u>Acceptable</u> has been assigned. The G-324A worksheets provided by the Reviewer-In-Charge (RIC) indicated the facility was non-compliant with the Classification Standard.

The rating was based on the RIC Summary Memorandum and supporting documentation. The Field Office Director must remedy the deficiencies in the RIC Memorandum, and initiate the following actions in accordance with the Detention Management Control Program (DMCP):

- 1) The Field Office Director, Detention and Removal Operations, shall notify the facility within five business days of receipt of this memorandum. Notification shall include copies of the Form G-324A, Detention Facility Review Form, the G-324A Worksheet, RIC Summary Memorandum, and a copy of this memorandum.
- 2) The Field Office Director is responsible for ensuring that the facility responds to all findings and a Plan of Action is submitted to the Review Authority (RA) within 30 days.
- 3) The RA will advise the Field Office Director once the Plan of Action is approved.
- 4) Once a Plan of Action is approved, the Field Office Director shall schedule and follow-up on the above noted deficiencies within 90 days.
