Medical screenings are performed by medical staff <u>or</u> persons who have received specialized training for the purpose of conducting an initial health screening.	×							
Each new arrival is classified according to criminal history and threat levels. Criminal history is provided for each detainee by the ICE field office.	×							
All new arrivals are searched in accordance with the "Detainee Search" standard. An officer of the same sex as the detainee conducts the search and the search is conducted in an area that affords as much privacy as possible.								
Detainees are stripped searched only when cause has been established and not as routine policy. Non-criminal detainees are not strip-searched but are patted down unless reasonable suspicion is established.	\boxtimes							
The "Contraband" standard governs all personal property searches. IGSAs/CDFs use or have a similar contraband standard. Staff prepares a complete inventory of each detainee's possessions. The detainee receives a copy.	\boxtimes							
Staff completes Form I-387 or similar form for CDFs and IGSAs for every lost or missing property claim. Facilities forward all I-387 claims to ICE.								
Detainees are issued appropriate and sufficient clothing and bedding for the climatic conditions.	\boxtimes							
The facility provides and replenishes personal hygiene items as needed. Gender-specific items are available. ICE Detainees are not charged for these items.								
All releases are properly coordinated with ICE using a Form I-203.	\boxtimes

Components	Υ	·N	NA	Remarks	
The facility has a system for classifying detainees. In CDFs and IGSAs, an Objective Classification System or similar is used.	Ø				
 The facility classification system includes: Classifying detainees upon arrival. Separating individuals who cannot be classified upon arrival from the general population. The first-line supervisor or designated classification specialist reviewing every classification decision. 					
The intake/processing officer reviews work-folders, A-files, etc., to identify and classify each new arrival.	\boxtimes				
Staff use only information that is factual, and reliable to determine classification assignments. Opinions and unsubstantiated/ unconfirmed reports may be filed but are not used to score detainees classifications.	×				
Housing assignments are based on classification-level.	\boxtimes				
A detainee's classification-level does not affect his/her recreation opportunities. Detainees recreate with persons of similar classification designations.					
Detainee work assignments are based upon classification designations.	\boxtimes				
The classification process includes reassessment/reclassification. At IGSA's, detainees may request reassessment 60 days after arrival.				Will start with Ice detainees	
Procedures exist for a detainee to appeal their classification assignment. Only a designated supervisor or classification specialist has the authority to reduce a classification-level on appeal.				Will start with Ice detainees	
Classification appeals are resolved within five business days and detainees are notified of the outcome within 10 business days.					
Classification designations may be appealed to a higher authority such as the Warden or equivalent.			\boxtimes

MEMORANDUM FOR:

John P. Torres

Director (Acting)

Office Of Detention and Removal

FROM:

(b)(6), (b)(7)c

Reviewer-In-Charge

New Orleans Field Office/Oakdale Sub-Office

SUBJECT:

Concordia Parish Annual Detention Review

The New Orleans Field Office, Office of Detention and Removal conducted a detention review of the Concordia Parish Detention Center on September 5-7, 2006. This review was conducted by Reviewer In-Charge and assisted by (b)(6). (b)(7)c IEA, Oakdale, LA. This facility is used for detainees requiring housing over 72 hours.

Type of Review:

This review is a scheduled Operational Review to determine general compliance with established Immigration and Customs Enforcement (ICE) National Detention Standards. 2005

Review Summary:

The American Correctional Association on 10/31/2001 accredited the facility. At this time the facility is not currently accredited. The facility was last inspected by the State of Louisiana in August 2006 and received an acceptable rating. No other inspections by state or local entities have occurred during the previous 12 months.

Review Findings:

The following information summarizes those standards <u>not</u> in compliance. Each standard is identified and a short summary provided regarding standards or procedures not currently in compliance.

Compliant - 33
Deficient - 1
At-Risk - 1
Non-Applicable - 3

Subject: Detention Revie Cummary Report

Page 2

Classification System

• The classification process did not include reassessment/reclassification.

- The classification system did not include standard procedures for processing new arrivals' appeals.
- ✓ During the review, the Warden was notified regarding the above deficiencies. The response was immediate and all deficiencies will be corrected. At this time there are no ICE detainees at is facility.

Terminal Illness, Advanced Directives, and Death

- There were no guidelines addressing State Advanced Directive Form for Implementing Living Wills and Advanced Directives.
- The Guidelines did not provide the detainee the opportunity to have a private attorney prepare the documents.
- There was no policy addressing "Do not Resuscitate Orders".
- The facility did not have written procedures to address the issues of organ donation by detainees.
- ✓ During the review, the Warden was notified regarding the above deficiencies. The response was immediate and all deficiencies were corrected or in the process of being corrected. Prior to the departure of the team, all deficiencies had been addressed in detail.

Subject: Detention Revie Summary Report

Page 3

✓ Standards Summary Findings:

Classification System and Terminal Illness, Advance Directives and Death were the only two standards that were Deficient or at Risk.

RIC Observations:

BEST PRACTICE: The facility has a very professional medical staff on site and on call 24 hours a day. Every Thursday a Doctor is at the facility to see detainees and he is also on call 24 hours a day.

The Food Service Administrator is well organized and the Kitchen is neat, clean and the food is prepared to standard.

The Tool shed and vehicle building was neatly organized and used shadow boards as one means of tool control.

STAFF: All Staff and Detainees were cooperative and available to assist reviewers and to answer question posed by the team. The Concordia Parish Detention Center is a well-established and maintained facility. At this time there are a number of programs in place. Each morning at 10:00am the Warden, Chief of Detention, Captain, and the Lts, conduct an inspection of the detainees and their dorms. There is a 90-day and a 150-day drug program that is offered to drug users and drug offenders. The facility has a GED program offered to anyone that is being held at its facility. There is a Chaplain on staff five days a week and on call 24 hours a day.

RIC Issues and Concerns

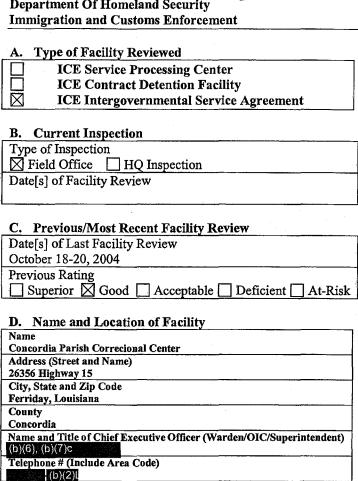

None

Recommended Rating and Justification:

It is the Reviewer in Charge recommendation that the facility receive a rating of "GOOD".

RIC Assurance Statement:

All findings of this review have been documented on Form G-324A and are supported by the written documentation contained in the review file.

Significant Incident Summary Worksheet

For ICE to complete its review of your facility, the following information <u>must be completed</u> prior to the scheduled review dates. The information on this form should contain data for the past twelve months in the boxes provided. The information on this form is used in conjunction with the ICE Detention Standards in assessing your Detention Operations against the needs of the ICE and its detained population. This form should be filled out by the facility prior to the start of any inspection. Failure to complete this section will result in a delay in processing this report and the possible reduction or removal of ICE' detainees at your facility.

SUBJECT:

Concordia Parish Detention Center Annual Review

The annual review of the Concordia Parish Detention Center conducted September 5-7, 2006 in Ferriday, Louisiana has been received. A final rating of <u>Acceptable</u> has been assigned.

The rating was based on the Reviewer-In-Charge (RIC) Summary Memorandum and supporting documentation. The Field Office Director must remedy the deficiencies in the RIC Memorandum, and initiate the following actions in accordance with the Detention Management Control Program (DMCP):

- 1) The Field Office Director, Detention and Removal Operations, shall notify the facility within five business days of receipt of this memorandum. Notification shall include copies of the Form G-324A, Detention Facility Review Form, the G-324A Worksheet, RIC Summary Memorandum, and a copy of this memorandum.
- 2) The Field Office Director is responsible for ensuring that the facility responds to all findings and a Plan of Action is submitted to the Review Authority (RA) within 30 days.
- 3) The RA will advise the Field Office Director once the Plan of Action is approved.
- 4) Once a Plan of Action is approved, the Field Office Director shall schedule and follow-up on the above noted deficiencies within 90 days.

Subject: Concordia Parish Detention Center Annual Detention Review Page 2
