## Facility List Notes

Monday, July 10, 2017

### Notes and Assumptions:

The Facility List contains all facilities used by ICE ERO recorded in ENFORCE since the start of FY2003.

The Facility List Main tab is sorted descending by the current Fiscal Year Average Daily Population (ADP).

Facility inspection ratings referenced are all Final Ratings. New facilities with reviews in process will not have entries in the Authorized field.

When the facility type is unavailable, IGSA is used as the default value for type and type-detailed until the facility type can be confirmed

### Field Names, Data Sources, and Definitions:

Field Name	Data Source	Definition
<b>Facility Information</b>		
DETLOC	IIDS (Hyperion)	The detention facility code that serves as the unique identifier for each facility
NAME	IIDS (Hyperion)/Officer/Field Input	The complete name of the detention facility
ADDRESS	Officer/Field Input/ Research	The street address of the detention facility
