Good morning,

I am writing on behalf of Prison Legal News, a non-profit publication that reports on criminal justice-related issues, requesting permission to reprint the following article, which we believe would be of interest to our readers:

<http://www.takepart.com/feature/2016/09/19/violence-and-redemption-oklahoma>

We would like to post this article on our website, www.prisonlegalnews.org. We would provide attribution, of course, note where the article was originally published and include a link.

Please advise and many thanks for your time!
