MEMORANDUM

TO: All Staff
FROM: Henry Steward, Warden
DATE: March 2, 2010
SUBJECT: **DARK SIDE**

The evening sun sank low on one of our employees today. Once again the dark side attempted to prevail at WTSP. However, the attempt was blocked and the contraband stopped from entering this facility.

As I have told you before, I will keep seeking ways to rid WTSP of you and your kind. This is a great place to work and we have many great employees that are hard working and dedicated to do 'more with less'. However, there are a few who have chosen to go to the **Dark Side**. Remember, if you are one of those employees,

WE WILL GET YOU!

Henry Steward, Warden
