### C. Adequacy of Training

22. In your opinion, did you receive adequate training, instruction, or guidance relating to standards of conduct by FBI and non-FBI personnel relating to treatment, interview, or interrogation of detainees prior to your deployment or assignment?

Yes  No

22a. Please describe the ways in which you believe the training, instruction or guidance was inadequate:

While most FBI SA's deployed to the ITO were experienced investigators who understood the dynamics of interview, many had never been exposed to military interrogation and were unfamiliar with the techniques which were permissible to extract tactical battlefield information from an enemy combatant or terrorist. FBI agents typically conduct their jobs in a permissive operating environment, conducting interviews of suspects for the purpose of gathering information to support elements of a specific crime. Military and Intelligence Service Operatives conduct interviews and interrogations for different purposes. Understanding the difference and knowing what techniques were permissible by the military

and intelligence services in a wartime environment would have been useful.

23. In your opinion, did you receive adequate training, instruction, or guidance relating to standards of conduct by FBI and non-FBI personnel relating to treatment, interview, or interrogation of detainees during your deployment or assignment?

Yes  No

23a. Please describe the ways in which you believe the training, instruction or guidance was inadequate:

The standards by which FBI SA's were expected to function were clear and did not deviate from practices utilized in the U.S.. Any inadequacy in training related to what the acceptable standards of conduct is for military and intelligence service personnel conducting battlefield interrogations.

24. In your opinion, did you receive adequate training, instruction, or guidance concerning what you were supposed to do if you observed or heard about the treatment, interview, or interrogation of detainees, by FBI or non-FBI personnel, that you believed was inappropriate, unprofessional, coercive, abusive, or unlawful?

Yes  No

24a. Please describe the ways in which you believe the training, instruction or guidance was inadequate:

Guidance concerning the conduct of FBI personnel was very clear-report it to your chain-of-command. What constituted inappropriate, abusive, or coercive behavior during a military interrogation of an enemy combatant or terrorist was less clear.

25. (Optional) In what ways can the FBI improve training on this subject for future deployments or assignments?

Have military and/or intelligence community personnel provide pre-deployment briefings to FBI personnel concerning what is acceptable in terms of interrogation techniques. Clearly delineate for FBI personnel what constitutes inappropriate, unprofessional, coercive, abusive, and unlawful behavior.

#### **D. Comments**

26. Please provide any additional information concerning training for overseas deployments or assignments of FBI personnel you believe is relevant.
