REJECTION
 BY CTO

11-36360086-0718-MI-A,B,D,E, no concerns.....

11-36360086-0718-MI-C, [REDACTED] references getting off paper the end of next month. Although nothing is in SENTRY and or Washington State DOC, there is a [REDACTED] in SENTRY, who lives at that same address. Recommend rejection.

11-36360086-0718-MI-F, also recommend rejection. Although nothing specific in [REDACTED] text, she did include an excerpt of "If a Tree Falls" and it's review, which speaks of Savole. The reviews advocates violence, specifically on page 6 of 8, "If the snitch is a woman we should lay off? FUCK THAT! There are woman cops. They deserve the same molotov to the face as the male cops do. Since when does beating/ making a snitch unwelcome not constitute as solidarity? "SOLIDARITY MEANS ATTACK." whoa whoa wait wait? ATTACKKKKK MO FUCKA!!!! I know my comrades. (who include woman by the way) would want me to beat the FUCK out of a snitch if they were in prison because of them."
