Re: Award Fee Determination

Contract J1PCc-008, McRae Correctional Facility Performance Period January 1, 2010 - June 30, 2010

Dear Mr. VerHulst:

As stipulated in the Award Fee Determination Plan within contract J1PCc-008, the contractor has an opportunity to earn an award fee commensurate with the achievement of performance above the acceptable level. The maximum award fee may not exceed five percent of the total payment received for the evaluated period.

I have reviewed the recommendation of the Performance Evaluation Board based upon the performance monitoring information and the self-assessment submitted by Corrections Corporation of America (CCA). After a thorough review of this information, an award fee in the amount of \$582,192.18 (or 55% of the maximum award fee) is hereby authorized for the aforementioned performance period.

McRae Correctional Facility received five deficiencies and no repeat deficiencies during the May 2010 CFM Review. Three Notice of Concerns were issued pertaining to CCA failing to meet policy guidelines on Central Inmate Monitoring (CIM), ineffective security practices, and reporting protocols. At times during this performance period, accessibility of the executive staff to inmates, and communication between executive staff and correctional services was lacking. Noteworthy performance includes: two successful outside audits, increased sanitation and property control, implementation of Horticulture VT program, 88.6% average staffing rate, development and administration of CIM test to staff, and establishment of a medical exam room in the special housing unit.

Responsiveness has improved during this award fee period. Communication between management and Bureau of Prisons' on-site staff has improved significantly. Your Quality Control Program (QCP) has been effective in decreasing deficiencies from the prior performance period, with staff self-reporting instances of noncompliance resulting in a positive trend.

You may attach a copy of this correspondence to a separate billing requesting payment of the award fee. We appreciate the efforts of CCA staff during the performance period. Please let me know if you have questions regarding this award fee determination.

Sincerely,

Matthew D. Nace
