

**THE STATE OF TEXAS
COUNTY OF HARRIS**

AFFIDAVIT

BEFORE ME, the undersigned authority, personally appeared **Scott Durfee**, who upon duly sworn and stated as follows:

"My name is **Scott Durfee**. I am employed as an Assistant District Attorney in and for Harris County, Texas. I am over twenty-one years of age, and I am in all respects competent to make this affidavit.

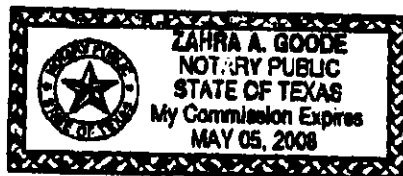

I have been informed that numerous Public Information Act requests were made to the City of Pasadena regarding matters associated with the investigation of Pedro Gonzales, the investigation is incomplete and is considered an open and ongoing criminal investigation. Upon completion, the matter will be turned over the Harris County Grand Jury for consideration of the appropriate criminal charges.

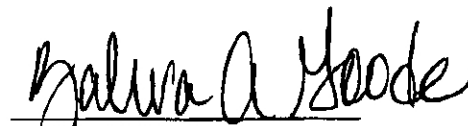

On behalf of the Harris County District Attorney, I have determined that the release of the information should be withheld from disclosure under the Texas Public Information Act because release of the information now would interfere with the on going case.

Public disclosure of information relating to the case outside the context of the formal discovery process could significantly impair the ability of the State to properly investigate this matter or obtain a fair trial of the matter and would unduly interfere with the judicial enforcement of the penal statutes of Texas."

SCOTT DURFEE

SWORN TO AND SUBSCRIBED before me on this the 20th day of September, 2007.
