The Honorable Board of Supervisors

Los Angeles, California 90012

Dear Supervisors:

**APPROVE AGREEMENT WITH HAIGHT ASHBURY FREE CLINICS,
INCORPORATED TO PROVIDE A GENDER-RESPONSIVE
REHABILITATION PROGRAM FOR FEMALE OFFENDERS
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

The Los Angeles County Sheriff's Department (Department) is seeking your Board's approval and execution of an Agreement with Haight Ashbury Free Clinics, Incorporated (HAFC) to provide a Gender-Responsive Rehabilitation Program (GRR Program) for female offenders incarcerated in County jails.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the attached Agreement by and between the County of Los Angeles (County) and HAFC, for the GRR Program for a term of three years with an option to extend for two additional one-year option periods, plus one additional six-month option period in any increment for a total term not to exceed five years and six months, with a total Maximum Contract Sum not to exceed \$3,523,507 utilizing funding from the Inmate Welfare Fund.
2. Delegate authority to the Sheriff or his designee to execute Change Orders and Amendments to the Agreement as set forth throughout the Agreement, including Change Orders and Amendments: (a) to effectuate modifications which do not materially affect any term of the Agreement, (b) to add new or revised standard County contract provisions adopted by your Board as required from time to time, (c) to exercise Option Term extensions of the Agreement, (d) to effectuate an assignment of rights or delegation of duties pursuant to the Assignment by Contractor provision, (e) to reallocate

Line Item Budget items in accordance with Subparagraph 8.8 of the Agreement, (f) to decrease the scope of services and correspondingly decrease the Maximum Annual Contract Sum(s) and Maximum Contract Sum, and (g) to increase the scope of services for additional work required by the County and correspondingly increase the Maximum Annual Contract Sum(s), which shall not increase by more than ten percent during the Term of the Agreement provided sufficient funding is available.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this action is to establish an Agreement with HAFC to provide a recurring GRR Program that provides life skills training and fosters personal well-being, accountability, independence, employability, and family and community cohesion among female offender participants. The GRR Program shall promote behavior change through Evidence-Based Best Practices consistent with the National Institute of Corrections Gender-Responsive Strategies.

Implementation of Strategic Plan Goals

The services provided under this Agreement support the County's Strategic Plan, Goal 1, Operational Effectiveness. This Agreement will allow HAFC to provide GRR Program educational services with the goal of promoting female offenders' successful rehabilitation and reintegration into society, thus reducing recidivism.

FISCAL IMPACT/FINANCING

The Department has identified funding from the Inmate Welfare Fund to finance GRR Program services. The Maximum Contract Sum is \$3,523,507 for the term of the Agreement.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

This is a cost reimbursement Agreement whereby the County pays HAFC for the actual direct costs incurred by HAFC for the delivery of the services plus indirect expenses in the amount of 12 percent of the direct costs. The Maximum Annual Contract Sums shall be as set forth on Exhibit C, Pricing Sheet, of the Agreement. The Maximum Contract Sum for the term of the Agreement, including all options, shall not exceed \$3,523,507. The Agreement allows for one-time start-up costs in the amount of \$19,233.

HAFC's GRR Program will be provided inside a select dormitory at the Department's Century Regional Detention Facility. This therapeutic community dormitory presently houses approximately 124 female offenders enrolled in various educational and vocational courses that are jointly encapsulated within a primarily education-based set of services known as the Maximum Education Reaching Individual Transformation (MERIT) Program. While the MERIT Program features a number of Department-provided services, many existing MERIT Program elements are facilitated through a contracted education provider.

The framework of HAFC's GRR Program will augment and complement the existing MERIT Program elements and services and be tailored to address the path of criminality for female offenders. The

GRR Program will overlay existing MERIT Program elements and services and will address individual inmate GRR Program participant needs in a gender-responsive fashion.

Participation in all inmate programs within the Department's jail system is voluntary. Participants in all programs, including the MERIT Program, are identified through a variety of means, including inmate request slips, outreach by the Department's Inmate Services Bureau, other custody staff, and court orders.

The GRR Program shall be administered as an open-entry, open-exit system to accommodate inmate GRR program participants who have limited time remaining in custody, yet qualify for, and are desirous of participating in the GRR Program.

HAFC is in compliance with all Board and Chief Executive Office requirements including the Jury Service Program, the Safely Surrendered Baby Law, and the Defaulted Property Tax Reduction Program.

County Counsel has reviewed and approved this Agreement as to form.

CONTRACTING PROCESS

On October 5, 2010, the Department released a Request for Proposals (RFP) to solicit proposals from vendors to provide GRR Program services for the Department. The Department sent notification of the RFP to 25 vendors by e-mail. The RFP was also posted on the County and the Department websites. A mandatory proposers' conference and mandatory custody facility site visit were held on November 3, 2010, which 13 vendors attended.

On May 9, 2011, the RFP solicitation closed, and the Department received four proposals. An evaluation committee comprised of individuals from the Department and

one non-County agency convened to evaluate the proposals utilizing the informed averaging method in accordance with the Proposal Evaluation Methodology Policy approved by your Board on March 31, 2009.

As a result of that evaluation, HAFC's proposal received the highest score. Therefore, the Department is recommending HAFC for this Agreement award.

One non-selected proposer filed an Intent to Request a Proposed Contractor Selection Review, but did not move forward with the request.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There will be no negative impact on current Department operations and services.

CONCLUSION

Upon approval by your Board, please return three adopted copies of this Board letter to the Department's Contracts Unit.

Sincerely,

LEROY D. BACA
Sheriff

- 8.4 This is a cost reimbursement Agreement whereby County pays Contractor for the actual Direct Costs incurred by Contractor for the delivery of services required under the Agreement, plus Indirect Expenses in the amount of twelve percent (12%) of the Direct Costs, in accordance with Exhibit C (Pricing Sheet), up to and not to exceed the stated Maximum Annual Contract Sum in any given contract year.
- 8.5 Contractor shall be entitled to one-time Start-Up Costs as specified on Exhibit C (Pricing Sheet). Contractor must submit a separate invoice to County for payment of Start-Up Costs in accordance with the general requirements of Paragraph 10 (Invoices and Payments).
- 8.6 County and Contractor agree that the costs and fees set forth on Exhibit C (Pricing Sheet) are firm and fixed for the Term of the Agreement. County shall have no obligation for payment, and Contractor shall have no right to payment or reimbursement, other than as set forth in Exhibit C (Pricing Sheet).
- 8.7 Contractor has prepared and submitted to County a Line Item Budget and Narrative, segregating Direct Costs, inclusive of the personnel costs and operating expenses, and Indirect Expenses, for the Work to be performed by Contractor. The Line Item Budget and Narrative is attached to and forms a part of Exhibit C (Pricing Sheet) to this Agreement. Contractor represents and warrants that the Line Item Budget and Narrative is true and correct in all respects and that Contractor shall deliver services in accordance with Exhibit C (Pricing Sheet).
- 8.8 Contractor, with prior approval of County, may (1) during each Initial Term or Option Term year, reallocate up to a maximum of five percent (5%) of the Maximum Annual Contract Sum, as set forth in Exhibit C (Pricing Sheet),

between the approved Line Item Budget categories (i.e. personnel, employee benefits, supplies and expenses, equipment) and (2) reallocate up to a maximum of five percent (5%) of the Maximum Annual Contract Sum, as set forth in Exhibit C (Pricing Sheet), between Initial Term years, between an Initial Term year and an Option Term year, or between Option Term years, as the case may be. Any subsequent Line Item Budget and Narrative modifications above the five percent (5%) shall be agreed to by the parties and requested in writing by Contractor. In any event, such revisions shall not result in any increase in the Maximum Contract Sum.

- 8.9 In the event of (1) a reallocation of the Line Item Budget and Narrative consistent with Sub-paragraph 8.8 above, (2) a change in the Maximum Annual Contract Sum or Maximum Contract Sum, or (3) a material change to the scope of Work approved by County, Contractor shall amend the Line Item Budget and Narrative consistent with any changes and submit the revised Line Item Budget and Narrative to the County Program Manager for processing in the form of a written Amendment in accordance with Paragraph 6 (Change Orders and Amendments) of this Agreement.

9. COUNTY'S OBLIGATION FOR FUTURE FISCAL YEARS

Notwithstanding any other provision of this Agreement, either expressly or by implication, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during any of County's future fiscal years unless and until the Board appropriates funds for this Agreement in County's budget for each such future fiscal year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated and such termination shall be deemed a termination for convenience pursuant to Paragraph 6.0 (Termination for Convenience) of Exhibit A (Additional Terms and Conditions). County shall endeavor to notify Contractor in writing of any such non-appropriation of funds at the earliest possible date.

10. INVOICES AND PAYMENTS

- 10.1 For work performed in accordance with the terms of this Agreement as determined by County, Contractor shall invoice County monthly in arrears for services at the actual costs incurred which shall not exceed costs listed, by line item, in Exhibit C (Pricing Sheet).
- 10.2 Each invoice submitted by Contractor shall include the tasks, subtasks, deliverables, goods, services, or other Work as described in Exhibit B (Statement of Work) and Exhibit C (Pricing Sheet) for which payment is claimed and the amount of Direct Costs and Indirect Expenses therefore.

- 10.3 All invoices submitted by Contractor for payment must have the written approval of the County Project Director, as evidenced by the County Project Director's countersignature, prior to any payment thereof. In no event shall County be liable or responsible for any payment prior to such written approval.
- 10.4 Contractor shall maintain, and shall make available to County Project Director immediately upon request, all documentation to support costs submitted for reimbursement. Documentation of expenditures shall be supported by, but shall be not limited to the following:
- 10.4.1 Records documenting procurement of goods and services;
 - 10.4.2 Contracts for goods and services;
 - 10.4.3 Invoices;
 - 10.4.4 Billing statements;
 - 10.4.5 Cancelled checks;
 - 10.4.6 Timecards signed by employees and supervisors;
 - 10.4.7 Payroll registers;
 - 10.4.8 Payroll tax records;
 - 10.4.9 Bank statements;
 - 10.4.10 Bank reconciliation; and
 - 10.4.11 All other documentation to support the allocation of costs.
- 10.5 Contractor acknowledges that out-of-pocket expenses, including travel, meal, and lodging expenses, are not reimbursable by County. Accordingly, Contractor's invoices shall not include out-of-pocket expenses.
- 10.6 Contractor is responsible for the accuracy of invoices submitted to County. Further, it is the responsibility of Contractor to reconcile or otherwise correct inaccuracies or inconsistencies in the invoices submitted by Contractor.
- 10.7 The County Project Manager or designee shall review all invoices for any discrepancies and issue an "Invoice Discrepancy Report" (or "IDR"), attached hereto as Exhibit L, to Contractor within ten (10) calendar days of receipt of invoice if payment amounts are disputed. Contractor shall review the disputed charges and submit to the County Project Manager a written explanation detailing the basis for the charges within ten (10) calendar days of receipt of the IDR from the County Project Manager. If the County Project Manager does not receive a written response from Contractor within ten (10) calendar days of County's notice to Contractor of an IDR, then County payment will be made, less the disputed charges.
- 10.8 In addition to any rights of County provided in this Agreement, or at law or in equity, County may, upon notice to Contractor, withhold payment for any Work while Contractor is in default hereunder, or at any time that Contractor has not provided County approved Work.

10.9 Submission of Invoices

11. CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractor to complete Exhibit K (Charitable Contributions Certification), County seeks to ensure that all County contractors which receive or raise charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

12. LIQUIDATED DAMAGES

12.1 If, in the judgment of the County Project Director, Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the County Project Director, at his/her option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from Contractor's invoice for Work not performed. Information regarding the Work not performed and the amount to be withheld or deducted from payments to the Contractor from County will be forwarded to Contractor by the County Project Director in a written notice describing the reasons for said action.

- 12.2 If the County Project Director determines that there are deficiencies in the performance of this Agreement that are correctable over a certain time span, the County Project Director will provide a written notice to Contractor to correct the deficiency within specified time frames. Should Contractor fail to correct deficiencies within said time frame, the County Project Director may:
- 12.2.1 Deduct from Contractor's payment, pro rata, those applicable portions of the invoiced monthly contract sum; or
 - 12.2.2 Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is one-hundred dollars (\$100) per day per infraction, or as specified in the Performance Requirements Summary (PRS) Chart, as defined in Exhibit I, and that Contractor shall be liable to County for liquidated damages in the said amount. Said amount shall be deducted from County's payment to Contractor; and/or
 - 12.2.3 Upon giving five (5) Business Days notice to Contractor for failure to correct the deficiencies, County may correct any and all deficiencies and the total costs incurred by County for completion of the Work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to Contractor from County, as determined by County.
- 12.3 The action noted in Sub-paragraph 12.2 shall not be construed as a penalty, but as an adjustment of payment to Contractor to recover County cost due to the failure of Contractor to complete or comply with the provisions of this Agreement.
- 12.4 This Paragraph 12 shall not, in any manner, restrict or limit County's right to damages for any breach of this Agreement provided by law or as specified in the PRS or Sub-paragraph 12.2, and shall not, in any manner, restrict or limit County's right to terminate the Agreement as agreed to herein.

13. OWNERSHIP OF MATERIALS, SOFTWARE AND COPYRIGHT

- 13.1 County shall be the sole owner of all right, title, and interest, including copyright, in and to all software, plans, diagrams, facilities, documents, data, curriculum, program materials, handouts, audio and visual aids, assessment and evaluation tools, instructional aides, and other tools (hereafter "materials") which are originated, developed, or created through Contractor's work pursuant to this Agreement. Contractor, for valuable consideration herein provided, shall execute all documents necessary to assign and transfer to, and vest in County all of Contractor's right, title, and interest in and to such original materials, including

any copyright, patent and trade secret rights which arise pursuant to Contractor's work under this Agreement.

- 13.2 During the Term of this Agreement and for five (5) years thereafter, Contractor shall maintain and provide security for all of Contractor's materials and working papers prepared under this Agreement. County shall have the right to inspect, copy, and use at any time during and subsequent to the Term of this Agreement, any and all such materials and working papers and all information contained therein.
- 13.3 Any and all materials, software, and tools which are developed or were originally acquired by Contractor outside the scope of this Agreement, which Contractor desires to use hereunder, and which Contractor considers to be proprietary or confidential, must be specifically identified by Contractor to the County Project Manager as proprietary marked by Contractor as "Proprietary" or "Confidential" on each appropriate page of any document containing such material.
- 13.4 County will use reasonable means to ensure that Contractor's proprietary and/or confidential items are safeguarded and held in confidence. County agrees not to reproduce, distribute, or disclose to non-County entities any such proprietary and/or confidential items without the prior written consent of Contractor.
- 13.5 Notwithstanding any other provision of this Agreement, County will not be obligated to Contractor in any way under Sub-paragraph 13.4 for any of Contractor's proprietary and/or confidential items which are not plainly and prominently marked with restrictive legends as required by Sub-paragraph 13.3 or for any disclosure which County is required to make under any state or federal law or order of court.
- 13.6 All the rights and obligations of this Paragraph 13 shall survive the expiration or termination of this Agreement.

14. **NOTICES**

ADDITIONAL TERMS AND CONDITIONS

The following additional terms and conditions are applicable to, and form a part of, the Agreement. Capitalized terms not otherwise defined in this Exhibit A (Additional Terms and Conditions) shall have the meanings given to such terms in the Paragraph 2 (Definitions) of the Agreement.

1.0 SUBCONTRACTING

1.1 General

County has relied, in entering into the Agreement, on the reputation of and on obtaining the personal performance of Contractor itself. Consequently, no performance of the Agreement, or any portion thereof, shall be subcontracted by Contractor except in accordance with the procedures set forth in this Paragraph 1.0 (Subcontracting). Any attempt by Contractor to subcontract any performance, obligation, or responsibility under the Agreement, except in accordance with the procedures set forth in this Paragraph 1.0 (Subcontracting), shall be null and void and shall constitute a material breach of the Agreement, upon which County may immediately terminate the Agreement.

1.2 Procedure for Subcontracting

If Contractor desires to subcontract any portion of its performance, obligations, or responsibilities under the Agreement to any subcontractor, Contractor shall adhere to the following procedures.

- 1.2.1 Contractor shall notify the County Project Director of its desire to subcontract a portion of the Work, which notice shall include the reason for the proposed subcontract, and a description of the Work to be performed under the proposed subcontract.
- 1.2.2 The identity of such subcontractor and why such subcontractor was selected.
- 1.2.3 A certificate of insurance from the proposed subcontractor which establishes that the subcontractor maintains all the programs of insurance required by the Agreement.
- 1.2.4 If the proposed Work is to be performed by a subcontractor, then in addition to the foregoing, Contractor shall provide:

- i. A draft copy of the proposed subcontract. The material provisions of any approved subcontract between Contractor and a third party may be changed or amended, as applicable, only with the prior written approval of the County Project Director, which approval shall not be unreasonably withheld; and
- ii. Any other information and/or certifications reasonably requested by County.

The County Project Director will review Contractor's request to subcontract and determine, in his discretion, whether or not to consent to such request on an individual basis. Without limiting in any way County's prior approval rights, Contractor shall deliver to the County Project Director a fully executed copy of each subcontract entered into by Contractor pursuant to this Sub-paragraph 1.2.4, on or immediately after the effective date of the subcontract but in no event later than the date any Work is performed under the subcontract.

- 1.2.5 Contractor shall obtain an executed Contractor Non-Employee Acknowledgement and Confidentiality (see Exhibit E2, (Contractor's Non-Employee Acknowledgement and Confidentiality Agreement)) for each of subcontractor's employees performing Work under the subcontract. Such agreements shall be delivered to the County Project Director on or immediately after the effective date of the particular subcontract but in no event later than the date any such employee commences performing Work under the subcontract.

1.3 Contractor Responsibilities

- 1.3.1 Notwithstanding any County consent to any subcontracting, Contractor shall remain responsible for any and all performance required of it under the Agreement, including the obligation properly to supervise, coordinate, and perform, all Work required hereunder, and no subcontract shall bind or purport to bind County. Further, County approval of any subcontract shall not be construed to limit in any way Contractor's performance, obligations, or responsibilities to County.
- 1.3.2 In the event that County consents to any subcontracting, such consent shall be subject to County's right to reject any and all subcontractor personnel providing services under such subcontract.
- 1.3.3 In the event that County consents to any subcontracting, Contractor shall cause the subcontractor, on behalf of itself, its successors and administrators, to assume and be bound by and shall be deemed to have assumed and agreed to be bound by each and all of the provisions of the Agreement and any fully executed Change Order or Amendment

hereto as it relates to or affects the Work performed by subcontractor hereunder.

- 1.3.4 Contractor shall be solely liable and responsible for any and all payments and other compensation to all subcontractors and their officers, employees, and agents. County shall have no liability or responsibility whatsoever for any payment or other compensation for any subcontractors or their officers, employees, and agents.

2.0 DISPUTE RESOLUTION PROCEDURE

2.1 General

Contractor and County agree to act immediately to resolve mutually any disputes that may arise with respect to the Agreement. All such disputes shall be subject to the provisions of this Paragraph 2.0 (Dispute Resolution Procedure) (such provisions are collectively referred to as the "Dispute Resolution Procedures"). Time is of the essence in the resolution of disputes.

2.2 Continued Work

Contractor and County agree that, the existence and details of a dispute notwithstanding, both parties shall continue without delay their performance hereunder, except for any performance, other than payment by County for approved Work, which the parties mutually determine should be delayed as a result of such dispute.

- 2.2.1 If Contractor fails to continue without delay its performance hereunder that County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs which may be incurred by Contractor or County as a result of Contractor's failure to continue to so perform shall be borne by Contractor, and Contractor shall make no claim whatsoever against County for such costs. Contractor shall promptly reimburse County for such County costs, as determined by the County, or County may deduct or offset all such additional costs from any amounts due to Contractor from County.

- 2.2.2 If County fails to continue without delay to perform its responsibilities under the Agreement which County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs incurred by Contractor or County as a result of County's failure to continue to so perform shall be borne by County, and County shall make no claim whatsoever against Contractor for such costs. County shall promptly reimburse Contractor for all such additional Contractor costs subject to the approval of such costs by County.

2.3 Dispute Resolution Procedures

In the event of any dispute between the parties with respect to the Agreement, Contractor and County shall submit the matter as follows:

- 2.3.1 Contractor and County shall first submit the matter to the Contractor Program Director and County Project Manager for the purpose of endeavoring to resolve such dispute.
- 2.3.2 If the Contractor Program Director and County Project Manager are unable to resolve the dispute within a reasonable time, not to exceed five (5) Business Days from the date of submission of the dispute, then the matter immediately shall be submitted to the County Project Director for further consideration and discussion with Contractor Program Director to attempt to resolve the dispute.
- 2.3.3 If the Contractor Program Director and County Project Director are unable to resolve the dispute within a reasonable time not to exceed five (5) Business Days from the date of submission of the dispute, then the matter shall be immediately submitted to Contractor's president or chief operating officer and the Sheriff. These persons shall have five (5) Business Days to attempt to resolve the dispute.
- 2.3.4 In the event that at these levels, there is not a resolution of the dispute acceptable to both parties, then each party may assert its other rights and remedies provided under the Agreement and its rights and remedies as provided by law.

2.4 Documentation of Dispute Resolution Procedures

All disputes utilizing the Dispute Resolution Procedure shall be documented in writing by each party and shall state the specifics of each alleged dispute and all actions taken. The parties shall act in good faith to resolve all disputes. At all three (3) levels described in Sub-paragraph 2.3 (Dispute Resolution Procedures), the efforts to resolve a dispute shall be undertaken by conference between the parties' respective representatives, either orally, by face-to-face meeting or by telephone, or in writing by exchange of correspondence.

2.5 Not Applicable to County's Right to Terminate

Notwithstanding any other provision of the Agreement, County's right to terminate the Agreement pursuant to Paragraph 4.0 (Termination for Insolvency), Paragraph 5.0 (Termination for Default), Paragraph 6.0 (Termination for Convenience), or Paragraph 7.0 (Termination for Improper Consideration), in each case, of this Exhibit, or any other termination provision under this Agreement, shall not be subject to the Dispute Resolution Procedure. The

preceding sentence is intended only as a clarification of County's rights, and shall not be deemed to impair any claims that Contractor may have against County or Contractor's rights to assert such claims after any such termination or such injunctive relief has been obtained.

3.0 CONFIDENTIALITY

3.1 General

- 3.1.1 Contractor shall maintain the confidentiality of all records and information, events or circumstances which occur during the course of Contractor's performance under the Agreement, in accordance with all applicable Federal, State, and local laws, rules, regulations, ordinances, guidelines, policies and procedures, and directives relating to confidentiality, including, without limitation, County policies concerning information technology security and the protection of confidential records and information.
- 3.1.2 Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting, or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with this Paragraph 3.0 (Confidentiality), as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 3.0 (Confidentiality) shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of County without County's prior written approval.
- 3.1.3 Contractor shall inform all of its directors, officers, shareholders, employees, subcontractors and agents providing services hereunder of the confidentiality provisions of this Agreement. Contractor shall provide to County an executed Contractor's Employee Acknowledgement and Confidentiality Agreement (Exhibit E1 to the Agreement) for each of its employees performing Work under the Agreement and an executed

Contractor's Non-Employee Acknowledgement and Confidentiality Agreement (Exhibit E2 to the Agreement) for each non-employee performing Work under the Agreement. Notwithstanding anything herein to the contrary, Contractor acknowledges and agrees that it is responsible for any breach of the obligations of confidentiality set forth herein by any person, or entity to which Contractor discloses such confidential information.

3.2 Disclosure of Information

- 3.2.1 With respect to any confidential information obtained by Contractor pursuant to the Agreement, Contractor shall: (a) not use any such records or information for any purpose whatsoever other than carrying out the express terms of the Agreement; (b) promptly transmit to County all requests for disclosure of any such records or information; (c) not disclose, except as otherwise specifically permitted by the Agreement, any such records or information to any person or organization other than County without County's prior written authorization that the records are, or information is, releasable; and (d) at the expiration or termination of the Agreement, return all such records and information to County or maintain such records and information according to the written procedures sent to Contractor by County for this purpose.
- 3.2.2 Without limiting the generality of Sub-paragraph 3.2.1 of this Exhibit, in the event Contractor receives any court or administrative agency order, service of process, or request by any person or entity (other than Contractor's professionals) for disclosure of any such details, Contractor shall immediately notify the County Project Director. Thereafter, Contractor shall comply with such order, process, or request only to the extent required by applicable law. Notwithstanding the preceding sentence, to the extent permitted by law, Contractor shall delay such compliance and cooperate with County to obtain relief from such obligations to disclose until County shall have been given a reasonable opportunity to obtain such relief.

3.3 Contractor Information

Any and all confidential or proprietary information which is developed or was originally acquired by Contractor outside the scope of this Agreement, which Contractor desires to use hereunder, and which Contractor considers to be proprietary or confidential, must be specifically identified by Contractor to the County Project Director as proprietary or confidential, and shall be plainly and prominently marked by Contractor as "proprietary" or "confidential." County shall undertake reasonably to maintain the confidentiality of materials marked by Contractor as "proprietary" or "confidential." Notwithstanding any other provision

of this Agreement, County shall not be obligated in any way under this Agreement for:

- 3.3.1 Any of Contractor's proprietary and/or confidential materials not plainly and prominently marked with restrictive legends;
- 3.3.2 Any disclosure of any materials which County is required to make under the California Public Records Act or otherwise by law; and
- 3.3.3 Any materials indicating the volume, frequency and type of goods and services provided by Contractor, including, but not limited to use under Paragraph 25.0 (Re-solicitation of Bids, Proposals, or Information).

3.4 Use of County Name

- 3.4.4 Notwithstanding anything herein to the contrary, County reserves the right to object to any use of County's name and Contractor shall cure promptly and prospectively any use of County's name that has been objected to by County.

3.5 Injunctive Relief

Contractor acknowledges that a breach by Contractor of this Paragraph 3.0 (Confidentiality) may result in irreparable injury to County that may not be adequately compensated by monetary damages and that, in addition to County's other rights under the Agreement and at law and in equity, County shall have the right to injunctive relief to enforce the provisions of this Paragraph 3.0 (Confidentiality).

4.0 TERMINATION FOR INSOLVENCY

- 4.1 County may terminate the Agreement immediately at any time following the occurrence of any of the following:
- 4.1.1 Contractor has ceased to pay or has admitted in writing its inability to pay its debts for at least sixty (60) calendar days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the United States Bankruptcy Code and whether or not Contractor is insolvent within the meaning of the United States Bankruptcy Code, provided that Contractor shall not be deemed insolvent if it has ceased in the normal course of business to pay debts that Contractor disputes in good faith;

Section 365(n)). Upon written request by County to Contractor or the trustee in bankruptcy, as applicable, Contractor or such trustee shall allow County to exercise all of its rights and benefits under the Agreement. The foregoing shall survive the termination or expiration of the Agreement for any reason whatsoever.

5.0 TERMINATION FOR DEFAULT

- 5.1 County may, by written notice to Contractor, terminate the whole or any part of this Agreement, if, in the judgment of County Project Director:
- Contractor has materially breached this Agreement; or
 - Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Agreement; or

- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Agreement, or of any obligations of this Agreement and in either case, fails to demonstrate convincing progress toward a cure within five (5) Business days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

- 5.2 In the event that County terminates this Agreement in whole or in part as provided in Sub-paragraph 5.1, County may procure, upon such terms and in such manner as County may deem appropriate, goods and services similar to those so terminated. Contractor shall be liable to County for any and all excess costs incurred by County, as determined by County, for such similar goods and services. Contractor shall continue the performance of this Agreement to the extent not terminated under the provisions of this Sub-paragraph.
- 5.3 If, after County has given notice of termination under the provisions of this Paragraph 5.0 (Termination for Default), it is determined by County that Contractor was not in default under the provisions of this Paragraph 5.0 (Termination for Default), the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 6.0 (Termination for Convenience).
- 5.4 The rights and remedies of County provided in this Paragraph 5.0 (Termination for Default) shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

6.0 TERMINATION FOR CONVENIENCE

6.1 Termination for Convenience

The Agreement may be terminated, in whole or in part from time to time, by County in its sole discretion for any reason. The date upon which such termination becomes effective shall be no less than thirty (30) calendar days after notice.

6.2 No Prejudice; Sole Remedy

Nothing in this Paragraph 6.0 (Termination for Convenience) is deemed to prejudice any right of Contractor to make a claim against County in accordance with this Agreement and applicable law and County procedures for payment for Work through the effective date of termination. Contractor, however, acknowledges that the rights and remedies set forth in this Sub-paragraph 6.2 (No Prejudice; Sole Remedy) shall be the only remedy available to Contractor in

the event of a termination or suspension pursuant to this Paragraph 6.0 (Termination for Convenience) by County.

7.0 TERMINATION FOR IMPROPER CONSIDERATION

- 7.1 County may, upon written notice to Contractor, immediately terminate the right of Contractor to proceed under the Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to Contractor's performance pursuant to the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.
- 7.2 Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

9.2 Transition Services

Contractor agrees that in the event of any termination of the Agreement, as a result of the breach hereof by either party, or for any other reason, including expiration, Contractor shall fully cooperate with County in the transition by County to a new contractor so that there shall be no interruption of County's day to day operations due to the unavailability of the Work during such transition. Contractor agrees that if County terminates the Agreement pursuant to Paragraph 6.0 (Termination for Convenience) of this Exhibit or Sub-paragraph 5.2 (Deemed Termination for Convenience) of this Exhibit, Contractor shall perform transition services, and shall invoice County for such transition services determined in accordance with the rates specified in Exhibit C (Pricing Sheet) of the Agreement, and the agreed upon maximum amount in accordance with a transition plan to be agreed upon, in advance, by the County Project Director and the Contractor Program Director. 10.0 WARRANTY AGAINST CONTINGENT FEES

10.1 Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.

10.2 For breach of this warranty, County shall have the right to terminate the Agreement and, in its discretion, deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

11.0 AUTHORIZATION WARRANTY

13.2 General Provisions for All Insurance Coverage

Without limiting Contractor's indemnification of County, and in the performance of this Agreement and until all of its obligations pursuant to this Agreement have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Sub-paragraphs 13.2 (General Provisions for All Insurance Coverage) and 13.3 (Insurance Coverage) of this Agreement. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Agreement. County in no way warrants that the Required Insurance is sufficient to protect Contractor for liabilities which may arise from or relate to this Agreement.

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively County and its Agents) shall be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of County. 13.2.4 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Agreement, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Agreement. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

13.2.7 Waivers of Subrogation

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Agreement. The Contractor shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

13.2.8 Subcontractor Insurance Coverage Requirements

Contractor shall include all subcontractors as insureds under Contractor's own policies, or shall provide County with each subcontractor's separate evidence of insurance coverage. Contractor shall be responsible for verifying each subcontractor complies with the Required Insurance provisions herein, and shall require that each subcontractor name the County and Contractor as additional insureds on the subcontractor's General Liability policy. Contractor shall obtain County's prior review and approval of any subcontractor request for modification of the Required Insurance.

13.2.9 Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies shall not obligate County to pay any portion of any Contractor deductible or SIR. County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

13.2.10 Claims Made Coverage

Contractor understands and agrees it shall maintain such coverage for a period of not less than three (3) years following Agreement expiration, termination or cancellation.

13.2.11 Application of Excess Liability Coverage

other work licensed or acquired hereunder or the operation and utilization of Contractor's Work under this Agreement (collectively in this Paragraph 14.0 [Intellectual Property Indemnification] "Infringement Claim(s)"). Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 14.0 (Intellectual Property Indemnification) shall be conducted by Contractor and performed by counsel selected by Contractor and approved in writing by County (which approval shall not be unreasonably withheld). Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as required by law or this Agreement, County shall be entitled to reimbursement for all such costs and expenses.

- 14.2 **Procedures.** County shall notify Contractor, in writing, as soon as practicable of any claim or action alleging such infringement or unauthorized disclosure. Upon such notice, Contractor shall, at no cost to County, as remedial measures, either: (i) procure the right, by license or otherwise, for County to continue to use the software or other tasks, deliverables, goods, services or other work licensed or acquired hereunder, or part(s) or component(s) thereof, to the same extent of County's license or ownership rights under this Agreement; or (ii) to the extent Contractor is unable to procure such right, replace or modify the software or other tasks, deliverables, goods, services or other work licensed or acquired hereunder, or part(s) or component(s) thereof, with another software or product of services, or part(s) or component(s) thereof, of at least equivalent quality and performance capabilities, in County's determination, until it is determined by County that the software or other tasks, deliverables, goods, services or other work licensed or acquired hereunder and all parts and components become non-infringing, non-misappropriating and non-disclosing.
- 14.3 **Remedial Acts.** If Contractor fails to complete the remedial measures in Sub-paragraph 14.2 above within forty-five (45) calendar days of the date of the written notice from County or County has not approved in writing (such approval not to be unreasonably withheld) Contractor's plan of completing such remediation, then, County shall have the right to take such remedial acts as County determines to be reasonable to mitigate any impairment of its use of the software or other tasks, deliverables, goods, services or other work licensed or acquired hereunder, or part(s) or component(s) thereof, or damages or other costs or expenses (in this Sub-paragraph 14.3, "County's Remedial Acts"). In the event that the Board adopts, in any fiscal year, a County budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County contracts, County reserves the right to reduce its payment obligation correspondingly for that fiscal year and any subsequent fiscal year during the term of this Agreement (including any extensions), and the services to be provided by Contractor under this Agreement shall also be reduced correspondingly. County's notice to Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentences, Contractor shall continue to provide all of the services set forth in this Agreement.

16.0 FORCE MAJEURE

16.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this sub-paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

16.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

17.0 CONTRACTOR RESPONSIBILITY AND DEBARMENT

17.1 A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Agreement. It is the County's policy to conduct business only with responsible Contractors.

- 17.2 Contractor is hereby notified that, in accordance with Chapter 2.202 of the Los Angeles County Code, if County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which will not exceed five (5) years, but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing contracts Contractor may have with County.

- 17.4 If there is evidence that Contractor may be subject to debarment, the Sheriff's Department will notify Contractor in writing of the evidence which is the basis for the proposed debarment and will advise Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- 17.5 The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Contractor and/or Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether Contractor should be debarred, and, if so, the appropriate length of time of the debarment. Contractor and the Sheriff's Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.
- 17.6 After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board. The Board shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- 17.7 If a Contractor has been debarred for a period longer than five (5) years, that Contractor may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that

Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of County.

- 17.8 The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
- 17.9 The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board. The Board shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- 17.10 These terms shall also apply to subcontractors of County Contractors.

selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

Contractor, and each County Lobbyist or County Lobbying Firm as defined in Los Angeles County Code Section 2.160.010 retained by Contractor, shall fully comply with the County Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of Contractor or any County Lobbyist or County Lobbying Firm retained by Contractor to fully comply with County Lobbyist Ordinance shall constitute a material breach of the Agreement upon which County may immediately terminate or suspend the Agreement.

27.0 CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS

Should Contractor require additional or replacement personnel after the effective date of this Agreement, Contractor shall give consideration for any such employment openings to participants in County's Department of Public Social Services' Greater Avenues for Independence (in this Paragraph, "GAIN") or General Relief Opportunity for Work (in this Paragraph, "GROW") programs who meet Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that Contractor will interview qualified candidates. County will refer GAIN participants by job category to Contractor. In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first opportunity.

28.0 STAFF PERFORMANCE WHILE UNDER THE INFLUENCE

Subject to all applicable laws and regulations, Contractor shall use reasonable efforts to ensure that no employee will perform services hereunder while under the influence of any alcoholic beverage, medication, narcotic, or other substance, which might reasonably, or have been observed to, impair such person's physical or mental performance.

29.0 CONTRACTOR PERFORMANCE DURING CIVIL UNREST

Contractor recognizes that County provides services essential to the residents of the communities it serves, and that these services are of particular importance at the time of a riot, insurrection, civil unrest, natural disaster or similar event. Notwithstanding any other provision of this Exhibit or the Agreement, full performance by Contractor during

any riot, insurrection, civil unrest, natural disaster or similar event is not excused if such performance remains physically possible without related danger to Contractor's employees or suppliers. During any such event in which the health or safety of any of Contractor's staff members would be endangered by performing their services on-site, such staff members may perform any or all of their services remotely. Failure to comply with this requirement shall be considered a material breach of this Agreement by Contractor, for which County may immediately terminate this Agreement.

30.0 CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO CHILD SUPPORT ENFORCEMENT

- 30.1 Contractor acknowledges that County places a high priority on the enforcement of child support laws and the apprehension of child support evaders. Contractor understands that it is County's policy to encourage all County Contractors to voluntarily post County's "L. A.'s Most Wanted: Delinquent Parents" poster in a prominent position at Contractor's place of business. County's Child Support Services Department (CSSD) will supply Contractor with the poster to be used.
- 30.2 The CSSD will maintain and periodically update the "L.A.'s Most Wanted: Delinquent Parents" list on the Internet. The list may be televised before and after Board meetings.

31.0 CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

- 31.1 Contractor acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through County contracts are in compliance with their court-ordered child, family, and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.
- 31.2 As required by County's Child Support Compliance Program (Los Angeles County Code chapter 2.200) and without limiting Contractor's duty under the Agreement to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall during the Term of this Agreement maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 U.S.C. Section 653a) and California Unemployment Insurance Code Section 1088.55, and shall implement all lawfully served Wage and Earnings Withholding Orders or County's CSSD Notices of Wage and Earnings Assignment for Child, Family, or Spousal Support, pursuant to California Code of Civil Procedure Section 706.031 and California Family Code Section 5246(b).
- 31.3 Failure of Contractor to maintain compliance with the requirements set forth in this Paragraph 31.0 (Contractor's Warranty of Adherence to County's Child Support Compliance Program) shall constitute a default under this Agreement.

Without limiting the rights and remedies available to County under any other provision of this Agreement, failure of Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which County may terminate this Agreement pursuant to Paragraph 5.0 (Termination for Default) and pursue debarment of Contractor, pursuant to County Code Chapter 2.202.

32.0 RECYCLED-CONTENT PAPER

Consistent with the Board's policy to reduce the amount of solid waste deposited at County landfills, Contractor agrees to use recycled-content paper to the maximum extent possible in Contractor's provision of Work pursuant to the Agreement.

33.0 COMPLIANCE WITH JURY SERVICE PROGRAM

33.1 Jury Service Program

This Agreement is subject to the provisions of County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit G and incorporated by reference into and made a part of this Agreement.

33.2 Written Employee Jury Service Policy.

33.2.1 Unless Contractor has demonstrated to County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the Los Angeles County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the Los Angeles County Code), Contractor shall have and adhere to a written policy that provides that its employees shall receive from Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with Contractor or that Contractor deduct from the employees' regular pay the fees received for jury service.

33.2.2 For purposes of this Paragraph 33.0 (Compliance with Jury Service Program), "Contractor" means a person, partnership, corporation or other entity which has a contract with County or a subcontract with a County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full time" means 40 hours or more worked per week, or a lesser number of hours if: (a) the lesser number is a recognized industry standard as determined by County, or

(b) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for County under the Agreement, the subcontractor shall also be subject to the provisions of this Paragraph 33.0 (Compliance with Jury Service Program). The provisions of this Paragraph 33.0 (Compliance with Jury Service Program) shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

33.2.3 If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during the Term and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" or that Contractor continues to qualify for an exception to the Jury Service Program.

33.2.4 Contractor's violation of this Paragraph 33.0 (Compliance with Jury Service Program) of this Exhibit may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

34.0 BACKGROUND AND SECURITY INVESTIGATIONS

34.1 At any time prior to or during the Term of this Agreement, all Contractor staff and agents of Contractor (collectively herein "Contractor's staff") performing services under this Agreement shall undergo and pass a background investigation to the satisfaction of County as a condition of beginning and continuing to perform services under this Agreement. Such background investigation may include, but shall not be limited to, criminal conviction information obtained through fingerprints submitted to the California Department of Justice. The fees associated with the background investigation shall be at the expense of Contractor, regardless if the member of Contractor's staff passes or fails the background investigation.

- 34.2 If a member of Contractor's staff does not pass the background investigation, County may request that the member of Contractor's staff be immediately removed from performing services under this Agreement at any time during the Term of this Agreement. County will not provide to Contractor or to Contractor's staff any information obtained through County's background investigation.
- 34.3 County, in its sole discretion, may immediately deny or terminate facility access to any member of Contractor's staff that does not pass such investigation to the satisfaction of County or whose background or conduct is incompatible with County facility access.
- 34.4 Disqualification of any member of Contractor's staff pursuant to this Paragraph 34.0 shall not relieve Contractor of its obligation to complete all Work in accordance with the terms and conditions of this Agreement.

35.0 ACCESS TO COUNTY FACILITIES

Contractor, its employees, and agents will be granted access to County facilities, subject to Contractor's prior notification to and approval by the County Project Director, for the purpose of executing Contractor's obligations hereunder. Contractor shall comply with the specific requirements for access to County custody facilities as set forth in Exhibit B (Statement of Work). Contractor shall have no tenancy, or any other property or other rights in County facilities. While present at County facilities, Contractor's personnel shall comply with all County requirements, specifically those set forth in Exhibit B (Statement of Work) related to County custody facilities.

36.0 COUNTY FACILITY OFFICE SPACE

In order for Contractor to perform services hereunder and only for the performance of such services, County may elect, subject to County's standard administrative and security requirements, to provide Contractor with office space and equipment, as determined at the discretion of the County Project Director, at County facilities, on a non-exclusive use basis. County shall also provide Contractor with reasonable telephone service and network connections in such office space for use only for purposes of the Agreement. County disclaims any and all responsibility for the loss, theft or damage of any property or material left at such County office space by Contractor.

37.0 DAMAGE TO COUNTY FACILITIES, BUILDINGS, OR GROUNDS

- 37.1 Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings or grounds caused by Contractor or employees or agents of Contractor. Such repairs shall be made promptly after Contractor has become aware of such damage, but in no event later than thirty (30) calendar days after the occurrence.

37.2 If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by Contractor by cash payment upon demand, or without limitation of all County's other rights and remedies provided at law or equity, or under the Agreement, County may deduct such costs from any amounts due to Contractor from County under the Agreement.

38.0 PHYSICAL ALTERATIONS

Contractor shall not in any way physically alter or improve any County facility without the prior written approval of the County Project Director, and County's Director of Internal Services Department, in their discretion.

39.0 FEDERAL EARNED INCOME TAX CREDIT

Contractor shall notify its employees and shall require each subcontractor to notify its employees that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015. Copies of the Notice can be obtained by calling 1-800-829-3676 or from the IRS website at www.irs.gov.

40.0 ASSIGNMENT BY CONTRACTOR

40.1 Contractor shall not assign its rights or delegate its duties under the Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this Sub-paragraph 40.1, County consent shall require a written Amendment to the Agreement, which is formally approved and executed by the parties, and which may be executed by the Sheriff, on behalf of County with the written concurrence of County Counsel. Any payments by County to any approved delegate or assignee on any claim under this Agreement shall be deductible, at County's discretion, against claims which Contractor may have against County.

40.2 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person, corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with Sub-paragraph 40.1 of this Exhibit.

40.3 Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation,

merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Agreement which may result in the termination of the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

41.0 INDEPENDENT CONTRACTOR STATUS

- 41.1 The Agreement is by and between County and Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between County and Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever. Contractor shall function as, and in all respects is, an independent Contractor.
- 41.2 Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing Work pursuant to this Agreement all compensation and benefits. County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of Contractor.
- 41.3 Contractor understands and agrees that all persons performing Work pursuant to the Agreement are, for purposes of workers' compensation liability, the sole employees of Contractor and not employees of County. County shall have no obligation to furnish, or liability for, workers' compensation benefits to any person as a result of any injuries arising from or connected with any Work performed by or on behalf of Contractor pursuant to the Agreement.
- 41.4 Contractor shall adhere to the provisions stated in Paragraph 3.0 (Confidentiality).

42.0 RECORDS AND AUDITS

- 42.1 Contractor shall maintain accurate and complete financial records of its activities and operations relating to the Agreement, including any termination hereof, in accordance with generally accepted accounting principles. Contractor shall also maintain accurate and complete employment and other records relating to its performance of the Agreement. Contractor agrees that County, or its authorized representatives, shall, with reasonable notice and during regular business hours, have access to and the right to examine, audit, excerpt, copy or transcribe any pertinent transaction, activity, or records of Contractor relating to the Agreement. Should the examination and audit be performed by a non-County entity or should a non-County entity be requested by County to review information received

pursuant to an audit or examination under this Paragraph 42.0 (Records and Audits), Contractor may require the non-County examiner or auditor, as the case may be, to execute a nondisclosure contract prior to any disclosure. The nondisclosure contract shall limit the non-County entity's use of information received or reviewed in connection with the examination and audit to work performed specifically for the benefit of County. All such material, including all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets, and other time and employment records, shall be kept and maintained by Contractor and shall be made available to County during the Term of this Agreement and for a period of five (5) years thereafter unless County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then at Contractor's option, Contractor shall either (a) provide County with access to such material at a mutually agreed upon location inside Los Angeles County, or (b) pay County for travel, per diem, and other costs and expenses incurred by County to examine, audit, excerpt, copy or transcribe such material at such outside location.

- 42.2 If an audit is conducted of Contractor specifically regarding the Agreement by any Federal or State auditor, or by an auditor or accountant employed by Contractor or otherwise, then Contractor shall file a copy of such audit report with County's Auditor-Controller and the County Project Director within thirty (30) calendar days of Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under the Agreement.
- 42.3 If, at any time during or after the Term, representatives of County conduct an audit of Contractor, as and to the extent permitted hereunder, regarding the Work performed under the Agreement, the results of such audit, including any final determination in respect of an underpayment or overpayment, if any by County under the Agreement, shall be provided in writing to Contractor. Contractor shall have thirty (30) calendar days to review the findings contained in such audit and notify County of any objection to the same. Such notice must include, in reasonable detail, the basis for Contractor's objection and any supporting documentation and analysis for Contractor's objection. If the parties cannot agree, within fifteen (15) calendar days of receipt of Contractor's objection to the findings contained in County's audit, on the amount of underpayment or overpayment, if any, by County to Contractor hereunder, then either party may submit such matter to the Dispute Resolution Procedure, provided such matter shall be submitted initially, directly to the County Project Director and the Contractor Program Director. If Contractor fails to notify County of any objection it has to the findings of County's audit within the thirty (30) calendar day period set forth above, Contractor waives any right to object to the findings of such audit, including any determination of overpayment by County. If such audit, whether initially following a waiver by Contractor of its right of objection or upon

final determination pursuant to the Dispute Resolution Procedure, finds that County's dollar liability for any such Work is less than payments made by County to Contractor, then the difference, together with County's reasonable costs of audit, shall be either repaid by Contractor to County by cash payment upon demand or, at the discretion of the County Project Director, deducted from any amounts due to Contractor from County. If such audit finds that County's dollar liability for such Work is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County, but in no event shall County's payments to Contractor exceed the Maximum Contract Sum.

42.4 Failure on the part of Contractor to comply with any of the provisions of this Paragraph 42.0 (Records and Audits) shall constitute a material breach upon which County may terminate or suspend this Agreement.

43.0 LICENSES, PERMITS, REGISTRATIONS, ACCREDITATION, AND CERTIFICATES

Contractor shall obtain and maintain in effect during the Term of this Agreement all licenses, permits, registrations, accreditation, and certificates required by all Federal, State, and local laws, ordinances, rules, and regulations, which are applicable to Contractor's services under the Agreement. Contractor shall further ensure that all of its officers, employees, and agents who perform services hereunder, shall obtain and maintain in effect during the Term of this Agreement all licenses, permits, registrations, accreditation, and certificates which are applicable to their performance hereunder. If and to the extent requested by County, Contractor shall provide copy of each such license, permit, registration, accreditation, and certificate, in duplicate, to Contracts Manager, Sheriff's Department Contracts Unit, 4700 Ramona Boulevard, Room 214, Monterey Park, CA 91754-2169.

44.0 NO THIRD PARTY BENEFICIARIES

Notwithstanding any other provision of the Agreement, Contractor and County do not in any way intend that any person or entity shall acquire any rights as a third party beneficiary of the Agreement, except that this Paragraph 44.0 (No Third Party Beneficiaries) shall not be construed to diminish Contractor's indemnification obligations hereunder.

45.0 MOST FAVORED PUBLIC ENTITY

If Contractor's prices decline, or should Contractor, at any time during the Term of this Agreement, provide the same goods and/or substantially similar services under similar quantity, delivery, and other applicable terms and conditions to the State of California or any county, municipality, public agency, or district within California at prices below those set forth in the Agreement, then such lower prices shall be extended immediately to County.

46.0 COUNTY'S QUALITY ASSURANCE PLAN

County or its agent will evaluate Contractor's performance under the Agreement on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with the terms and conditions and performance standards of the Agreement. Contractor deficiencies which County determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board. The report will include improvement and corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate the Agreement or impose other penalties as specified in the Performance Requirements Summary (PRS).

47.0 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should Contractor require additional or replacement personnel after the effective date of this Agreement to perform the services set forth herein, Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Agreement.

48.0 INTENTIONALLY DELETED

49.0 NO PAYMENT FOR SERVICES PROVIDED FOLLOWING EXPIRATION OR TERMINATION OF AGREEMENT

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor under this Agreement after the expiration or other termination of this Agreement. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration or termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

50.0 SAFELY SURRENDERED BABY LAW

50.1 Notice to Employees

Contractor shall notify and provide to its employees, and shall require each subcontractor performing Work under this Agreement to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Exhibit F (Safely Surrendered Baby Law) of this Agreement and is also available on the Internet at www.babysafeja.org for printing purposes.

50.2 Contractor's Acknowledgement of County's Commitment to the Safely Surrendered Baby Law

Contractor acknowledges that County places a high priority on the implementation of the Safely Surrendered Baby Law. Contractor understands that it is County's policy to encourage all County Contractors to voluntarily post County's "Safely Surrendered Baby Law" poster in a prominent position at Contractor's place of business. Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. County's Department of Children and Family Services will supply Contractor with the poster to be used. Information on how to receive the poster can be found on the Internet at www.babysafela.org.

51.0 PROHIBITION AGAINST INDUCEMENT OR PERSUASION

Contractor and County agree that, during the Term of this Agreement and for a period of one (1) year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

52.0 PUBLIC RECORDS ACT

52.1 Any documents submitted by Contractor, all information obtained in connection with County's right to audit and inspect Contractor's documents, books, and accounting records, pursuant to Paragraph 42.0 (Records and Audits) of this Exhibit, as well as those documents which were required to be submitted in response to the Request for Proposals (RFP) used in the solicitation process for this Agreement, become the exclusive property of County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "Trade Secret," "Confidential," or "Proprietary." County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law or by an order issued by a court of competent jurisdiction.

52.2 In the event County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "Trade Secret," "Confidential," or "Proprietary," Contractor agrees to defend and indemnify County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

- 53.1 This Agreement is subject to the provisions of the County's ordinance entitled Transitional Job Opportunities Preference Program, as codified in Chapter 2.205 of the Los Angeles County Code.
- 53.2 Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Transitional Job Opportunity vendor.
- 53.3 Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Transitional Job Opportunity vendor.
- 53.4 If Contractor has obtained County certification as a Transitional Job Opportunity vendor by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:
1. Pay to the County any difference between the contract amount and what the County's costs would have been if the contract had been properly awarded;
 2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent (10%) of the amount of the contract; and
 3. Be subjected to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any entity that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the certifying department of this information prior to responding to a solicitation or accepting a contract award.

54.0 WAIVER

No waiver by County of any breach of any provision of the Agreement shall constitute a waiver of any other breach or of such provision. Failure of County to enforce at any time, or from time to time, any provision of the Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in the Agreement shall not be exclusive and are in addition to any other rights and remedies provided at law or in equity, or under the Agreement.

55.0 GOVERNING LAW, JURISDICTION, AND VENUE

The Agreement shall be governed by, and construed in accordance with, the substantive and procedural laws of the State of California applicable to contracts made and to be performed within that state. Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California (except with respect to claims that are subject to exclusive Federal subject matter jurisdiction, as to which Contractor agrees and consents to the exclusive jurisdiction of the United States District Court of the Central District of California) for all purposes regarding the Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the Central District of the Superior Court for the County of Los Angeles, California.

56.0 SEVERABILITY

If any provision of the Agreement is adjudged void or invalid for any reason whatsoever, but would be valid if part of the wording thereof were deleted or changed, then such provision shall apply with such modifications as may be necessary to make it valid and effective. In the event that one or more of the provisions of the Agreement is found to be invalid, illegal or unenforceable in any respect, such provision shall be deleted here from and the validity, legality, and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby, unless the Agreement fails of its essential purpose because of such deletion.

57.0 RIGHTS AND REMEDIES

The rights and remedies of County provided in any given Paragraph, as well as throughout the Agreement, including throughout this Exhibit, are non-exclusive and cumulative with any and all other rights and remedies under this Agreement, at law, or in equity.

59.0 FACSIMILE

Except for the parties initial signatures to the Agreement, which must be provided in "original" form, and not by facsimile, County and Contractor hereby agree to regard facsimile representations of original signatures of authorized officials of each party, when appearing in appropriate places on change notices or in other correspondence, notices, etc. requiring signatures, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed thereto, such that the

parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

60.0 LOCAL SMALL BUSINESS ENTERPRISE (SBE) PREFERENCE PROGRAM

- 60.1 This Agreement is subject to the provisions of the County's ordinance entitled Local Small Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.
- 60.2 Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.
- 60.3 Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.
- 60.4 If Contractor has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:
1. Pay to County any difference between the contract amount and what County's costs would have been if the contract had been properly awarded;
 2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent (10%) of the amount of the contract;
 3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the state and Internal Services Department of this information prior to responding to a solicitation or accepting a contract award.

61.0 LOCAL SMALL BUSINESS ENTERPRISE (SBE) PROMPT PAYMENT PROGRAM

Certified Local SBEs will receive prompt payment for services they provide to County departments. Prompt payment is defined as fifteen (15) calendar days after receipt of an undisputed invoice.

62.0 TERMINATION FOR NON APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Agreement, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during any of County's future fiscal years unless and until County's Board of Supervisors appropriates funds for this Agreement in County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. County shall notify Contractor in writing of any such non-allocation of funds at the earliest possible date.

63.0 CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

63.1 Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

63.2 Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Agreement will maintain compliance with Los Angeles County Code Chapter 2.206. Contractor's Certification of Compliance with the County's Defaulted Property Tax Reduction Program is attached to the Agreement as Exhibit J.

64.0 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 63.0 (Contractor's Warranty of Compliance with County's Defaulted Property Tax Reduction Program) shall constitute default under this Agreement. Without limiting the rights and remedies available to County under any other provision of this Agreement, failure of Contractor to cure such default within ten (10) calendar days of notice shall be grounds upon which County may terminate this Agreement and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

65.0 NOTICE OF DELAYS

Except as otherwise provided under this Agreement, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Agreement, that party shall, within one (1) Business Day, give notice thereof, including all relevant information with respect thereto, to the other party.

66.0 COMPLAINTS

EXHIBIT B

STATEMENT OF WORK (SOW)

Capitalized terms used in this SOW without definition herein shall have the meanings given to such terms in Paragraph 2 (Definitions) of the Agreement.

1.0 SCOPE OF WORK

Contractor shall provide to the Los Angeles County Sheriff's Department ("Department") a Gender-Responsive Rehabilitation Program for Female Offenders ("GRR Program") that fosters personal well-being, accountability, independence, life skills training, employability, and family and community cohesion among participants. Contractor's GRR Program shall promote behavior change through Evidence-Based Best Practices in Gender-Responsive Strategies, consistent with the National Institute of Corrections Gender-Responsive Strategies: Research, Practice and Guiding Principles for Women Offenders (Bloom, Owen, and Covington, 2003).

Contractor's GRR Program shall be provided inside a select dormitory at the Department's Century Regional Detention Facility ("CRDF"), located at 11705 South Alameda Street, Lynwood, California 90262. This therapeutic community dormitory ("MERIT Dorm") presently houses approximately 124 female offenders enrolled in various educational and vocational courses, which are jointly encapsulated in a primarily education based set of services entitled the "MERIT Program." While the MERIT Program constitutes a Department set of combined services, many existing MERIT Program elements are facilitated through a contracted education provider. For a description of the MERIT Program, see Attachment 1 (MERIT Program Description) to this SOW.

The framework of Contractor's GRR Program shall augment and complement the existing MERIT Program elements and services and be tailored to address the path of criminality for female offenders. The GRR Program will overlay existing MERIT Program elements and services and will address individual Inmate GRR Program Participant needs in a gender-responsive fashion.

Participation in all inmate programs within the Department's jail system is voluntary. Participants in the MERIT Program are identified through a variety of means including inmate request slips, outreach occurring throughout the jails by the Department's Inmate Services Bureau, other custody staff, court order(s), etc.

The GRR Program shall be arranged as an open entry, open exit system to accommodate Inmate GRR Program Participants who have limited time

remaining in custody, yet qualify for and are desirous of participating in the GRR Program.

1.1 GRR Program Goal

The goal of the GRR Program shall be to promote female offenders' successful rehabilitation and reintegration into society, thus reducing recidivism.

- b. Coordinated Case Management
- c. Trauma Treatment (individual or group no larger than 15:1 ratio)
- d. Substance Abuse Treatment (individual or group no larger than 15:1 ratio)
- e. Cognitive Skills Development
- f. Relapse Prevention Education
- g. Domestic Violence Services (individual or group no larger than 15:1 ratio)
- h. Family-focused Services
- i. Wellness and Exercise
- j. Referral to other appropriate agencies as needed
- k. Re-entry Planning
- l. Alumni Group participation

1.4 GRR Program Structure

- 1.4.1 The GRR Program shall be structured to ensure each Inmate GRR Program Participant is engaged in GRR Program elements for a minimum of twenty (20) hours per week in keeping with the Inmate GRR Program Participant's Treatment and Rehabilitative Plan, corresponding with Contractor staffing requirements as defined in Sub-paragraph 4.2 of this SOW. Contractor shall develop a method to accurately track and report individual Inmate GRR Program Participant involvement in GRR Program elements. This report shall be provided to the County Project Manager when requested. Contractor shall maintain reports/records required in this SOW for the duration of the Agreement and otherwise as required in this Agreement, and all such reports/records shall be submitted to the County Project Manager upon termination of the Agreement and as otherwise required in this SOW.
- 1.4.2 Contractor shall be required to work in concert with the spectrum of existing education, religious/volunteer, and other services afforded Inmate GRR Program Participants in the MERIT Dorm.
- 1.4.3 Contractor shall achieve GRR Program objectives through a variety of means which shall include, but not be limited to, group and individual services, lectures, audio and visual aids, program facilitation, self-study materials, Intake Risk and Needs Assessment, Reassessment, Treatment and Rehabilitation Plan development, collaboration with the Department's Community Transition Unit, and optimization in community and government service linkages, family reunification, and transitional services.
- 1.4.4 Contractor shall maintain the GRR Program on a continuous basis throughout the Term of the Agreement, with on-site services provided during day, evening, and weekend hours.
- 1.4.5 The County Project Director may amend, alter, and/or modify the number of Inmate GRR Program Participants and/or classroom size, as may be necessary to meet County's needs at any time during the Term of the Agreement.

1.5 MERIT Program

Contractor must work within the parameters of the existing programming in the MERIT Dorm.

- 1.5.1 Contractor shall work cooperatively and collaboratively with MERIT Program instructional staff and/or other contractors,

or volunteer programs providing services in the MERIT Dorm to ensure effective delivery of services.

- 1.5.2 Contractor's services shall complement educational program components being provided by a contracted education provider during hours when MERIT Program instruction is occurring.
- 1.5.3 It is acknowledged such overlay in delivery of services will in some instances diminish or preclude Contractor from performing certain GRR Program elements (such as holding large group sessions during daytime educational instructional hours). As such, Contractor shall strategically utilize evening and weekend hours to supplement daytime GRR Program elements and customize the curriculum to meet the unique needs of the County, facility, education provider, and Inmate GRR Program Participants.

2.0 SPECIFIC WORK

2.1 Orientation

Contractor shall conduct an Orientation for each new Inmate GRR Program Participant at the time of her inclusion in the GRR Program. The Orientation shall be structured to describe the purpose of the GRR Program, introduce the instructors/facilitators, and describe the teaching methods, expectations, and GRR Program goals. Inmate GRR Program Participants must sign an agreement acknowledging their understanding of the GRR Program parameters and requirements for participation. The agreement that will be used by Contractor shall be approved by the County Project Director prior to being utilized. Contractor shall retain the original Inmate GRR Program Participant agreements and present records for inspection upon County's request. All reports or records generated for the purpose of this Agreement shall be submitted to the County Project Manager upon termination of the Agreement.

2.2 Risk and Needs Assessment

2.2.1 Contractor shall perform an Intake Risk and Needs Assessment for all Inmate GRR Program Participants. Contractor shall utilize the Northpointe Women's COMPAS Risk and Needs Assessment to identify Inmate GRR Program Participants' criminogenic risk and needs, and develop a treatment and rehabilitative plan. The Intake Risk and Needs Assessment shall identify Inmate GRR Program Participant strengths, needs, and risk factors, as well as the life conditions of the Inmate GRR Program Participant at the time their crime(s) was committed. The Intake Risk and

Needs Assessment Tool shall be sufficiently flexible to be utilized for ongoing reassessment, and as a program and individual effectiveness measure, and to provide the means to appropriately adjust the Treatment and Rehabilitative Plan as an Inmate GRR Program Participant progresses through her individual treatment goals.

- 2.2.2 At County's sole discretion, Contractor may be required at any point during the Term of the Agreement to utilize an evaluation instrument adopted by the Department's Education Based Incarceration Unit, as directed by the County Project Director.

2.3 Self-Evaluation Assessment

- 2.3.1 Contractor shall have all Inmate GRR Program Participants complete a Self Evaluation Assessment upon entry to the GRR Program. The Self Evaluation Assessment shall capture Inmate GRR Program Participant's perception of their individual strengths, needs, and risk factors to provide Contractor insight to Inmate GRR Program Participant's self-perception at GRR Program start. It shall also include Inmate GRR Program Participant's perception of life conditions at the time their crime(s) were committed and allow the Inmate GRR Program Participant to reveal examples of self perception in assets, liabilities, and capabilities.

- 2.3.2 The Self Evaluation Assessment shall be sufficiently flexible to be utilized for ongoing reassessment throughout the Inmate GRR Program Participant's participation in the GRR Program. It shall serve as an indicator of Inmate GRR Program Participant's self-perception at GRR Program start and shall be contrasted against subsequent self-evaluations administered at subsequent dates. The Self Evaluation Assessment shall aid in determination of individual and program effectiveness and as means to appropriately adjust the Treatment and Rehabilitative Plan, as an Inmate GRR Program Participant progresses through her individual treatment goals.

2.4 Treatment and Rehabilitative Plan

Once the Intake Risk and Needs Assessment and the Self-Evaluation Assessment are completed, Contractor shall create an individual Inmate GRR Program Participant Treatment and Rehabilitative Plan based upon the results of the assessments. Treatment and Rehabilitative Plans shall outline the concerned Inmate GRR Program Participant's course of education, treatment, and transition. The Treatment and Rehabilitative Plan shall build on the Inmate GRR

Program Participant's strengths and capabilities and serve as framework and foundational support for providing care to the Inmate GRR Program Participant throughout her incarceration.

2.5 Reassessments

- 2.5.1 Contractor shall conduct Inmate GRR Program Participant Reassessments to gauge progress of Inmate GRR Program Participant Treatment and Rehabilitative Plans and to make necessary adjustments.
- 2.5.2 Contractor shall conduct Reassessments for Inmate GRR Program Participants at monthly intervals during participation in the GRR Program. A Reassessment shall also be conducted for those Inmate GRR Program Participants who exit the GRR Program for any reason prior to completing a month but who were enrolled in the GRR Program a minimum of fourteen (14) calendar days consecutively.
- 2.5.3 Written Reassessment results shall be provided quarterly to the County Project Manager.
- 2.5.4 Contractor shall have also all Inmate GRR Program Participants complete a Self Evaluation Reassessment at monthly intervals during participation in the GRR Program. A Self Evaluation Reassessment shall also be conducted for those Inmate GRR Program Participants who exit the GRR Program for any reason prior to completing a month but who were enrolled in the GRR Program a minimum of fourteen (14) calendar days consecutively.

2.6 Inmate GRR Program Participant Exits/Withdrawals

- 2.6.1 When Inmate GRR Program Participants withdraw or otherwise exit the GRR Program, Contractor shall determine and evaluate the reason(s) for departure.
- 2.6.2 Contractor shall provide the County Project Manager a monthly report listing the total number of Inmate GRR Program Participant departures and individual reason(s) for exit. Reports shall include but shall not be limited to: Inmate GRR Program Participants name, age, booking number, GRR Program arrival date, GRR Program exit date, reason(s) for exit, and notes/findings/recommendation(s) associated with each individual exit.
- 2.6.3 Reports shall provide summary and chart data in total number of GRR Program exits in a given month and in type or reason(s) for exits, while simultaneously providing

percentage equivalency in the various identified exit categories. Trend data historically throughout the Term of the Agreement should also be included in this report.

- 2.6.4 Where appropriate, when GRR Program exits are determined by County to be attributable to GRR Program and/or instructional deficiencies, County and Contractor shall mutually agree on an appropriate corrective action plan. Contractor shall implement and timely execute all corrective measures contemplated by the corrective action plan.

2.7 Other Requirements

- 2.7.1 Celebrations and events relating to the GRR Program must be arranged in concert with and have prior approval of the County Project Director. Celebrations and events will not begin earlier than 8:00 a.m., nor end after 5:00 p.m. and shall take place Monday through Thursday, unless specifically exempted by the County Project Director.
- 2.7.2 Notwithstanding Sub-paragraph 3.12 of this SOW, Department may, as permitted by law, policy, and security considerations, facilitate the taking of photographs and/or video to document celebrations and events, or other GRR Program activities. Photos and/or video of GRR Program celebrations and events, or other GRR Program activities, shall not reveal facial features or characteristics of Inmate GRR Program Participants, unless specifically authorized by Department. The decision to allow photography and/or video shall at all times remain at the sole discretion of Department.
- 2.7.3 All Contractor requested visitors must be arranged and approved through the County Project Director or the County Project Manager. Visitors shall be required to comply with Sub-paragraph 3.13 below regarding entry into a custody facility. Visits shall be requested at least seven (7) Business Days prior to the requested visit date.
- 2.7.4 Notwithstanding the requirements of Sub-paragraph 2.7.3 of this SOW, Contractor shall notify the County Project Manager of any visitors to the GRR Program (Departmental or Non-Departmental) in advance of the event.

2.8 Materials / Handouts / Audiovisual

- 2.8.1 Purchase of all supplies/equipment to provide required services shall be the sole responsibility of Contractor. Contractor shall utilize handouts, audio and visual aids

(including information about community resources designed to assist Inmate GRR Program Participants), and/or other materials to ensure a thorough, informational, and enriching experience. Handouts and/or other materials distributed to the Inmate GRR Program Participants for their use shall be either (1) unbound or (2) bound by glue. Staples, paper clips, and metal binders are strictly prohibited.

2.8.2 County shall provide Contractor GRR Program location(s) within the custody facility for sessions, as well as use of chairs, desks, television(s), VCR(s) and/or DVD player(s) as necessary to conduct the GRR Program.

2.8.3 All materials, copyrighted or otherwise, intended for use in the GRR Program which are to be given to Inmate GRR Program Participants shall be presented to the County Project Manager for approval, prior to distribution. Any GRR Program materials copyrighted by a party other than County must be accompanied by copyright release, signed by the copyright holder.

2.9 Quarterly Meetings

The Contractor Program Director, or his/her designee, shall be required to attend quarterly meetings with the County Project Director and/or County Project Manager. During these meetings, results of Inmate GRR Program Participant assessments, reassessments, summary of findings, and a cumulative list of participants and their status in the program shall be presented to the County along with the written reports described in Paragraph 2.0 of this SOW. Quarterly meetings will serve as a venue for Contractor to discuss how the GRR Program is advancing, particularized areas of interest or concern, progress of Inmate GRR Program Participants, and discussion in enhancement or better methods to accomplish GRR Programs goals. The County Project Manager shall notify Contractor thirty (30) calendar days prior to scheduled date of a quarterly meeting.

3.1 County shall maintain final authority on all security issues.

3.2 All Work shall be conducted in a safe manner and shall comply with requirements of state and local rules and regulations and CAL-OSHA safety standards.

3.3 If at any time Contractor fails or refuses to comply with the above Sub-paragraph 3.2, Department may issue an order stopping all or part of the Work until satisfactory corrective action has been taken.

No part of the time lost due to any such stop order may be subject to claim for excess cost, damages, or extension of time under this Agreement.

- 3.4 Contractor shall report all incidents of occupational injury or accidents affecting Contractor employees and occurring on County property on a County "Non-Employee Injury Report", attached as Exhibit M to the Agreement, within twenty-four (24) hours of occurrence or discovery of the incident. The Non-Employee Injury Report shall be delivered to the County Project Manager. Contractor shall maintain an on-going listing of all employees injured while on County premises. This document shall be entitled Contractor's Employee Injury Record and shall be provided to the County Project Manager annually and anytime upon request.
- 3.5 Contractor shall report to County Project Manager or County Project Director any incident involving Contractor's staff which could negatively impact their ability to interact with Department personnel, affect security clearance status, or jeopardize the safety and/or security of Department and its members within twenty-four (24) hours of such incident. If circumstances objectively necessitate immediate action, Contractor shall immediately inform the Watch Commander of the concerned custody facility and County Project Manager or County Project Director concurrently.
- 3.6 If a Contractor employee is refused entry or removed from a custody facility, Contractor shall make immediate telephonic notification to County Project Manager and/or County Project Director, describing the circumstances, as known at the time, leading to the denial or removal. Contractor shall make person to person contact and have at his/her disposal the County Project Manager's and County Project Director's business hours and after-hours emergency contact phone numbers for these and similar reporting requirements.
- 3.7 Contractor shall train or facilitate the training of their employees in ethical conduct, with focus on the importance of lawful and appropriate conduct within a custody facility setting.
 - 3.7.1 All Contractor employees shall receive no less than two (2) hours of Ethical Conduct Training prior to performing Work in a custody facility. The Ethical Conduct Training shall be intended to raise Contractor employee awareness of common temptations associated with working an assignment of special trust, such as that of working inside custody facilities, and consequences of inappropriate or criminal behavior.
 - 3.7.2 Contractor shall submit an Ethical Conduct Training course outline and training summary to County Project Manager for review and approval, prior to any training date(s). This training

topic shall be re-enforced in the Department's mandatory four (4) hour Jail Orientation (Refer to Sub-paragraph 3.7.4 below).

- 3.7.3 Contractor may seek to partner with an outside organization to meet the two-hour Ethical Conduct Training requirement; however, the training provider must be pre-approved, in writing, by County Project Manager. Contractor shall bear all costs associated with providing Ethical Conduct Training as described in Sub-paragraphs 3.7.1 and 3.7.2 of this SOW.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

2.203.020 Definitions.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public restrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the ankle placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán bracelets para poder vincularlos. El bebé llevará un bracelet y el padre/madre o el adulto que lo entregó recibirá un bracelet igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambian de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recibir antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un lugar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden ir en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, institucionalizados o sustraídos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un bracelet con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenó y lo envió de vuelta dentro del sobre con franquicia pagada que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptar por el Departamento de Servicios para Niños y Familias.
