

Volunteer Videos

In this month's feature video, Lt. Babineau of the San Jose PD shows that good leaders lead from the front - and takes a hit from the M26:

Lt. Babineau joins the ranks of hundreds of officers who have taken hits from the ADVANCED TASER M26 as part of our instructor certification program. The Compilation Video (approx. 30 volunteers) is also available here: [See the video: 34 Mb file.](#)

If you have video of either volunteers or real world use of the ADVANCED TASER, please send us a copy at:
