**Synopsis:**

On 02/24/2006, Washington Corrections Center for Women (WCCW) Chief Investigator Kelly Kelly contacted the Department of Corrections (DOC) Special Investigations Unit (SIU) and stated that an offender housed at WCCW had alleged that a Correctional Officer (C/O) at the facility had sexually assaulted her (ATTACHMENT A). The offender, [REDACTED] stated that C/O Johnnie Davis had given her little gifts like candy bars, apples, barbeque ribs and cheese burgers; made photocopies of her court paperwork for her and taken her into a storage closet, covered the window and kissed her; sucked on her breast and fondled her vagina. Offender [REDACTED] stated that the incidents occurred in the Close Custody Unit (CCU).

Due to the nature of the allegations, DOC SIU initiated an investigation.

**[REDACTED] DOB: [REDACTED] 1967 WCCW Special Management Unit (SMU) 03/10/2006 12:00 PM**

Investigator Tim Thrasher interviewed offender [REDACTED] at WCCW in the SMU; Investigator Steve Baxter was also present. Investigator Thrasher explained to offender [REDACTED] that she was being interviewed due to the allegations she had made regarding C/O Davis. Investigator Thrasher stressed to offender [REDACTED] that it was important for her to be truthful. Offender [REDACTED] agreed to be interviewed.

**Note:** During the interview of offender [REDACTED] she did not transition from event to event in chronological order. The following summary of the interview that occurred is documented in the order that she described events.

Investigator Thrasher asked offender [REDACTED] to explain the series of events that led up to C/O Davis touching her in a sexual manner in the storage closet. Offender [REDACTED] stated in June of 2005, she was working in the laundry area. C/O Davis was her supervisor while she was working. Offender [REDACTED] stated she always lives on the first tier because she has a HSR and cannot climb stairs very well. During the time that C/O Davis was her supervisor, he was always nice to her. Offender [REDACTED] stated she even admitted to him that she considered herself to be a lesbian. Offender [REDACTED] stated in August of 2005 her brother died and C/O Davis was very supportive towards her. Offender [REDACTED] stated she felt like he was trying to become friends with her. C/O Davis told her that he had lost a family member and knew how she felt. Offender [REDACTED] stated C/O Davis began to give her large amounts of extra duty and during these times, he would give her king size candy bar, large bags of M&M's and other types of candy. Offender [REDACTED] added that C/O Davis made unauthorized copies of her legal work for her on a few occasions when she asked him to.

Offender [REDACTED] stated C/O Davis gave her three fifty dollar bills on one occasion in November 2005. Offender [REDACTED] gave the money to her cellmate, offender [REDACTED] who in turn took it to the visiting room during a visit with her mother. Offender [REDACTED] stated offender [REDACTED] mother took the money and she did not get anything out of it. Offender [REDACTED] stated the plan she devised with offender [REDACTED] was

0608

to have her mother [REDACTED] buy her a coat and send it into the institution with the money. Offender [REDACTED] stated she was very upset that she got "burned" in the deal. Offender [REDACTED] stated C/O Davis gave her a note one day that was on a pharmaceutical post it note. The note had some pictures of camera flashes and said "I love you. Cameras are everywhere. I want you. Not married. Raise my grandson." Offender [REDACTED] stated after she read the note she flushed it down the toilet and C/O Davis was standing nearby. Offender [REDACTED] stated the note "creeped her out."

Offender [REDACTED] stated on 09/26/2005, C/O Davis gave her the book "Have You Felt Like Giving Up Lately" written by David Wilkerson (Attachment B). Offender [REDACTED] stated she felt like C/O Davis cared about her after receiving the book she added that she had also received candy and gotten paid for work that she had not done.

Offender [REDACTED] stated on 10/26/2005 C/O Davis took her to get cleaning gear in the unit storage closet. When she removed the cleaning items, C/O Davis told her to put them back because she was not going to be working. Offender [REDACTED] stated that she walked into the storage closet with C/O Davis and he closed the door. The windows had paper covering them and C/O Davis began to kiss her. C/O Davis sucked on her left breast and played with her vagina through her clothing. Offender [REDACTED] stated C/O Davis began to suck her nipple "too hard" and play with her vagina. Offender [REDACTED] stated she pulled away from him because "it didn't feel good." Offender [REDACTED] stated C/O Davis never penetrated any part of her body. After she pulled away from C/O Davis, it was time for recall and she went back to her cell.

Offender [REDACTED] stated a short time later (a few days), C/O Davis took her to the storage closet again. C/O Davis kissed her while she was cleaning the bathroom and told her "I love you. The rest of my life I'm yours." Offender [REDACTED] stated she was not interested in his advances anymore.

Offender [REDACTED] stated when she got out of the SMU for strong-arming in November, she realized that C/O Davis was not working in his position anymore. She found out he was working in the "TEC" building, so she went there to confront him. Offender [REDACTED] stated C/O Davis was nervous during their discussion and he said "Your secrets safe with me, I won't tell anyone."

Offender [REDACTED] stated recently during the time that she was housed in the SMU, C/O Davis would call her on the intercom and try and talk to her. Offender [REDACTED] stated he would also stand at her door and try and talk to her. Offender [REDACTED] added that his behavior "creeped her out."

Investigator Thrasher asked offender [REDACTED] why she didn't tell staff what had happened before now. Offender [REDACTED] stated that at first she didn't mind the attention but as it got more serious she began to fear retaliation from staff if she told.

Offender [REDACTED] stated she was sure she did not talk about everything that occurred between her and C/O [REDACTED] but, requested that the notes she had taken regarding C/O Davis be copied. (Attachment C) Additionally, during the interview offender [REDACTED] stated numerous times that she wanted to participate in a polygraph examination.

Note: During the interview with offender [REDACTED], she stated that she wanted to press charges against C/O Davis with the Gig Harbor Police Department (GHPD). Offender [REDACTED] was told that if she requested GHPD's address from the facility investigations office, it would be forwarded to her and she could write a letter to them describing the

0609

allegations she had made. As of 04/19/2006, offender [REDACTED] had not requested GHPD's address.

[REDACTED] DOB: [REDACTED] 981 WCCW Interview Room 03/10/2006  
10:00 AM

Investigator Thrasher interviewed offender [REDACTED] at WCCW in an interview room regarding another unrelated incident that involved offender [REDACTED]. Investigator Baxter was also present. Investigator Thrasher explained to offender [REDACTED] why she was being interviewed and she agreed to participate. During the interview, offender [REDACTED] mentioned C/O Davis and conversations that she had with offender [REDACTED] regarding him. Offender [REDACTED] stated offender [REDACTED] asked her to support claims she was going to make against C/O Davis, because she was going to make \$50,000.00 and get transferred to Hawaii "one way or another." Offender [REDACTED] stated that offender [REDACTED] told her that the transfer to Hawaii had not been completed correctly by her counselor.

Offender [REDACTED] stated offender [REDACTED] had bragged to her about having sex with C/O Davis while she was a graveyard janitor. She added that offender [REDACTED] also mentioned that he had given her a book, a greeting card and numerous food items.

Investigator Thrasher asked offender [REDACTED] if she ever witnessed C/O Davis do anything inappropriate while he was around offender [REDACTED]. Offender [REDACTED] stated she never witnessed C/O Davis do anything inappropriate. Investigator Thrasher asked offender [REDACTED] if C/O Davis ever talked to offender [REDACTED] over the speaker system in their cell during the time that they were cellmates. Offender [REDACTED] stated she never heard C/O Davis talking to offender [REDACTED]. Investigator Thrasher asked offender [REDACTED] if she ever saw offender [REDACTED] eat food or candy that was not available through institutional channels like "King Size" candy bars or other items. Offender [REDACTED] stated she had not witnessed offender [REDACTED] eating any unauthorized food items. Offender [REDACTED] stated offender [REDACTED] made it known to her that she was going to make serious allegation against C/O Davis and get paid by the state. Offender [REDACTED] ended the conversation by saying that offender [REDACTED] told her she had made the story up and wanted to make money off of a lawsuit like some of the other offenders in the facility had done in the past.

[REDACTED] DOB: [REDACTED] 1973 WCCW Interview Room 04/07/2006  
7:45 AM

Investigator Baxter interviewed offender [REDACTED] at WCCW in an interview room. Investigator Baxter explained to offender [REDACTED] why she was being interviewed and she agreed to participate.

Investigator Baxter asked offender [REDACTED] if offender [REDACTED] had ever given her any money to smuggle out through the visitation room with the assistance of her mother.

Offender [REDACTED] stated that offender [REDACTED] never gave her any money and she never gave any money to her mother. Offender [REDACTED] stated offender [REDACTED] had asked her once if she was able to get money to her mother, would she buy her a quarterly package.

Offender [REDACTED] stated that she declined to assist offender [REDACTED] in any of her "scams."

0610

Investigator Baxter asked offender [REDACTED] if she had ever witnessed any C/Os do anything inappropriate around offender [REDACTED]. Offender [REDACTED] stated she had not and added that she never saw offender [REDACTED] and C/O Davis alone together.

Offender [REDACTED] stated offender [REDACTED] used to keep track of when she was ovulating and would brag about having sex with C/O Davis. Offender [REDACTED] stated that offender [REDACTED] used to talk about how she was going to get pregnant and make lots of money from the state.

At the conclusion of the interview offender [REDACTED] provided a handwritten statement (Attachment D).

**AVIS, Johnnie Correctional Officer / WCCW Training Room Gig Harbor, WA**  
**04/07/2006 6:00 AM**

Investigator Baxter interviewed C/O Davis on 04/07/2006 in the WCCW Training Room. Investigator Baxter explained to C/O Davis that an offender made allegations of a sexual nature against him. C/O Davis agreed to participate in the interview process; Union Representative Sgt. Michael Delgado was also present.

Investigator Baxter asked C/O Davis what he knew about offender [REDACTED]. C/O Davis stated he knew offender [REDACTED] because she had been a janitor in the Close Custody Unit (CCU) where he worked on occasion. Investigator Baxter asked C/O Davis if he had ever given offender [REDACTED] any contraband such as food or notes. C/O Davis stated that he had never given offender [REDACTED] anything that would be considered contraband.

Investigator Baxter asked C/O Davis if he had ever given offender [REDACTED] any gift cards or books and showed him a copy of the book, "Have You Felt Like Giving Up Lately". C/O Davis denied that he had given anything to offender [REDACTED] including gift cards and the book. Investigator Baxter asked C/O Davis if he had ever touched offender [REDACTED] in a sexual physical manner in any part of the facility. C/O Davis stated he had never sexually / physically touched offender [REDACTED]. Investigator Baxter asked C/O Davis if he had ever physically had contact with offender [REDACTED] in the SMU or TEC unit. C/O Davis stated he would have physically touched offender [REDACTED] the same as any other offender in the unit, due to a heightened security level. Investigator Baxter asked C/O Davis if he had ever made paperwork copies for offender [REDACTED] at WCCW. C/O Davis stated he never made paperwork copies for offender [REDACTED]. C/O Davis reiterated that he did not have a relationship with or do anything inappropriate with offender [REDACTED].

**Polygraph Notes:**

On 03/20/2006, William Tufts / GSR Polygraph Services attempted to administer a polygraph to offender [REDACTED] regarding the allegations she made against C/O Davis. Tufts determined that offender [REDACTED] could not be polygraphed "due to the subject being emotionally upset and crying". (Attachment E)

On 03/30/2006, Rick Minnich / Minnich Polygraph Service administered a polygraph to offender [REDACTED] regarding the allegations she had made against C/O Davis. The following questions were asked:

1. Did you lie when you stated that Corrections Officer Davis sucked on your breast?

0611

2. Did you lie when you stated that Corrections Officer Davis fondled your bare vagina?

Offender [REDACTED] answered both questions "No." When Minnich reviewed and scored the polygraph charts, he determined that offender [REDACTED] was being deceptive when she answered both questions. (Attachment F)

- Attachment B – Copy of book cover, "Have You Felt Like Giving Up Lately?" authored by David Wilkerson

**Summary:**

Based upon the information received and individuals interviewed, there is no information available to substantiate any of the allegations offender [REDACTED] as made against Correctional Officer Johnnie Davis. In her complaint, offender [REDACTED] alleged that C/O Davis kissed her, sucked her breast, fondled her vagina, gave her contraband on several occasions (book, card, notes, food items), made copies of her legal work and attempted to engage in a personal relationship with her. Although offender [REDACTED] supplied a book and greeting card that C/O Davis allegedly gave to her, there is nothing available to identify the origin of the items.

Offenders that were interviewed at WCCW stated that offender [REDACTED] talked openly with them about getting a large amount of money from the state by making allegations against a staff member. Additionally, offender [REDACTED] participated in a polygraph on 03/30/2006. The results of this polygraph indicated deception had occurred.

I worked fireweed laundry in Cleveland  
Guardy Unit East end West Rd. IN  
Quincy my brother died. I've been de-  
vegetated + crying loudly while showering  
after work. Mrs. Davis would see me upset  
the came to me and told me he left his  
daughter, he knows how it feels. She told  
me its because of Grace that he went in  
prison.

then came lit' qtho like gandy bars,  
an apple, barbecue ribs, checkerboard,  
the photo copied my court papers + told me  
I'd been hospitalized, that he knew people,  
and that I have someones to be. That  
he loved me, wants me, the best of his  
life is mine.

C.O. Smith was working graveyard w/ Mr.  
Davis. Mrs. Davis put C.O. Smith in the  
bath, and took me to town on one time  
of cleaning. He took me with a change type  
from next to the staff bathroom he had  
the window covered he stood in, ducts  
my left breast had hand fondled my  
vagina, and would have gone further  
had I not pushed away. I pushed  
away because my breast hurt. I took  
the bath for me to clean bathroom  
and bathroom, and Mr. Davis kissed  
me in the staff bathroom.  
Nov 7 went to spa - came back

went thru my property. I knew he was looking for the card & book he gave me.

I saw Mr. Davis had disappeared when I came from Seg and I felt used and lied too.

So I went to Tec and saw him face to face. And I knew then he had just used me and lied to me.

He tried to convince me to trust him, that he loves me.

That the reason hes working in Tec now is because of Maria (another Ocu Graveyard Staff member) which is a lie as he has come to the unit in the middle of the note on his break - done a tier check - told me he loves me - and stopped and talked to Maria.

telling me he was in love w/ me.  
The card & book I gave as evidence  
to my counselor CC3 Newborn on  
8-14-06, but I have copies of it.  
So far chronologically 10-26-05, 4 wks  
approx 2 weeks later C.O. Davis  
sent C.O. Flemming in the control  
book, had me clean shirt, break  
room, and bathroom, then he came in  
play, bathroom and found me. I went  
to segregation w/ in a few days later.  
30-40 days when I came out C.O. Davis  
was no longer working in the  
Quoniam unit where I was housed.  
It hit me then he used me, and left.  
After approx. 1 1/2 weeks of being out of  
Seg. I went to tech (crazy unit) where  
he was to look him in the face, just  
to see if I was right. He said me  
started, sweating, sweating, looked

C.O. Davis was one of the staff members who supervised me. On 9-17-05 I went to my mother's funeral and to be honest I was so lost and alone. C.O. Davis saw I was at my weakest state and did as predators do, take advantage. Approx 9/26/05 He gave me a book - "Have you ever felt like giving up lately?" by David Whiterson (turn in to my court/for CE3 Newsom as evidence) I had photocopy) So as you see I started to think as a person he cared. Then came lil extra treats, extra hours I didn't really work, however I justified to myself that I was being paid slave wages anyway. (42 \$ an hour) He told me he cared about me, and I started to believe him, or at least I wanted to.

10-26-05

11:20pm C.O. Davis put C.O. Smith in control booth w/ closed custody unit and asked me to get cleaning supplies. I got them and followed him. He took me into a "Storage" type room left of the staff rest-room. The windows were covered w/ paper, I believe. I've never seen the room before. C.O. Davis kissed me, sucked my left breast too hard, I said ouch, he fondled my vagina, it didn't feel good. I broke contact. If I hadn't, I know for sure it would have went further than that.

I think it was in October 2005 my old roommate in CCU [REDACTED] had made a comment to me that she was ovulating and if she had sex with an officer and she got pregnant than she would get time knocked off of her sentence and she could get money every month on her calendar she would keep track of when she was ovulating. She had even asked me that if she was able to get money that if I would have my mom buy her a quarterly package and I told her absolutely no that I would not get my family or me involved with her. She also told me that she was involved with an officer but I never saw her alone with him or saw that her ever gave her presents, in fact I never saw anyone give her anything except her strong arming me.

Date: March 30, 2006  
Results: Deception Indicated

Dear Mr. Thrasher:

As requested by [REDACTED] I conducted a specific polygraph examination. The purpose of this examination was to determine whether Corrections Officer Davis sexually assaulted her between October and November 2005. The following information was provided to me by your client.

### INFORMATION

Ms. [REDACTED] reported on February 14, 2006, she reported to her counselor at WCCW that Correctional Officer Jonnie Davis had sexually assaulted her on two occasions. Ms. [REDACTED] stated the first assault occurred on October 26, 2005, in a closet next to the staff bathroom in the Closed Custody Unit. She said the officer kissed her, suckled her left breast, reached down her pants and fondled her bare vagina.

Ms. [REDACTED] reported the second assault occurred two weeks subsequent to the first in the staff bathroom. She said when she was cleaning the bathroom, Officer Davis stood in the doorway and kissed her. She denied he engaged her in any other hands-on sexual assault.

0623

However, Ms. ██████████ then stated between August 2005 and December 2005 Officer Davis told her he "loved her" and gave her items to include candy, food, money and a book.

### INSTRUMENTATION

The questions to be asked during the instrumentation portion of the polygraph examination were constructed and reviewed with ██████████. Each relevant question was a subject of discussion to insure a common meaning.

I then proceeded to test whether Ms. ██████████ falsified or withheld information pertaining to this interview. This was accomplished by conducting a Bi-Zone Comparison Test. This test consisted of the following two relevant questions, to both of which she responded "NO":

- 1) Did you lie when you stated that Corrections Officer Davis sucked on your breast?
- 2) Did you lie when you stated that Corrections Officer Davis fondled your bare vagina?

### RESULTS

After scoring the polygraph charts, it was my opinion the physiological responses indicated Ms. ██████████ did not answer truthfully to the questions. **DECEPTION WAS INDICATED.**

### POST-TEST

During the post-test interview, Ms. ██████████ reported she was bothered during the examination because when the questions regarding Officer Davis were asked, she recalled Officer Davis "sucked really hard" on her breast during the assault. She was either unwilling and/or unable to offer any other reason for her deceptive responses.

Thank you for this referral. If I may be of further assistance with regard to this examination, please do not hesitate to contact me.

Very truly yours,

Rick L. Minnich

I have to get a photocopy  
1st, but I'll be sending  
you a legal letter from  
my attorney, showing you  
that not only should Superin-  
tendant Stewart know and  
have acted 2-14-06 when I  
reported to her I & I Kelly  
thru CUS Brown (CCU) and  
CC3 Newsom, but after  
nothing had been done and  
I was still in direct contact  
w/ the perpetrator my attorney  
contacted Superintendent  
Stewart w/ a letter dated  
March 1st, from Tacoma, which  
arrived no later than March 3rd.  
And here it is March 8th and  
I've heard not a peep from  
an investigator on this  
matter yet.  
No action has been taken to  
my or my attorney's satisfaction.

I want to press charges &

Offender [REDACTED] contacted administration at WCCW and stated that Correctional Officer Johnnie Davis had conducted himself inappropriately with her starting in October of 2005. Offender [REDACTED] stated that on one occasion C/O Davis took her to a storage closet and kissed her, sucked her left breast and fondled her vagina. Offender [REDACTED] also stated that C/O Davis has given her food items (candy bars, cheese burgers, ribs) on numerous occasions. Please ask offender [REDACTED] the following questions: (In the format you see fit)

A few weeks ago I was talking to [redacted] on the walkway in front of the Chapel and she told me that she had called her lawyer again because Kelly Kelly had her taken to the hole yet again for something she (Kelly Kelly) could not prove, and went on to say that [redacted] and [redacted] had retained the same lawyer and that he would be up to see all of them that day, as the conversation continued moderator was called and [redacted] and [redacted] approached [redacted] and I and the three of them began to describe an incident that happened that weekend where [redacted] sat Hever had [redacted] stand for a pat because she thought she saw her pass something and they felt that [redacted] was harassing [redacted] and themselves and that's why they are suing her and [redacted] piped up and said that's exactly why I had Doug's ass escorted out of here, well damn right I said he taped me after I seen him and that bitch looking at me and talking at shift changed she went on to say that she would get as many 40's jobs as she could.

Book - I need you to know I never  
"reported" you.

My journal that I kept kept hidden  
in my religious box was found and  
read, and every detail I wrote,  
recorded about us, in down to how  
I felt you used me, took advantage  
of me was in there.

I'm sure you don't believe me. But  
I junked my polygraph on purpose.  
I ignored you while I was in  
the hole, because I knew they  
the cameras were watching us.

I did my part to keep you as  
safe as I could, now your  
clear - your welcome - please  
accept my apologies.

I'd never hurt you. Please know that.

If I wanted to, you know I  
could have.

Anyway I'm sorry.

This is a letter that was written to  
Go Davis who worked first shift in car, until  
he was transferred about three months ago  
due to the suspicion of an intimate  
relationship.

This letter basically explains itself.

 wrote this letter, the prof  
would be a writing analysis or writing  
comparison and lie detector test. If I  
am correct Go Davis is a black, bald man  
with glasses.

I took this letter out of the  
garbage can in our room a couple  
months ago, I just found it.
