SYNOPSIS:

On June 27, 2006 at 5:10am I was contacted at my residence by Correctional Lieutenant Gilbert Burton. Lt. Burton indicated that Offender [REDACTED] had been sexually assaulted by a Correctional Officer. Superintendent Belinda D. Stewart requested that I report to the facility immediately.

I arrived at the facility at approximately 7:15am. Upon my arrival, Associate Superintendent Jane Parnell told me to report to the Superintendent's Office for a briefing of the above incident. Present at the briefing was Superintendent Stewart, Associate Superintendent Dianne Doonan, Associate Superintendent Parnell and Head Quarters Investigator Steven Baxter.

At that time, Superintendent Stewart reported that on June 26, 2006 at approximately 10:00pm Offender [REDACTED] reported to Correctional Officer Randy Goodnite that Correctional Officer Terry Mikelsen had sex with her in the Close Custody Unit (CCU) east pod property room. Offender [REDACTED] used a towel to wipe the semen and a Q-tip to swab the inside of her vagina. All articles were placed in an evidence bag and placed in evidence locker number 3.

At 11:50pm Correctional Officer Andrew Cozzolino and Correctional Officer Verna Gardner escorted Offender [REDACTED] by State Vehicle to the Bremerton Hospital for a sexual assault exam. Upon return to the facility, Offender [REDACTED] was housed in the clinic. The Pierce County Sheriff's Office was notified.

Investigator Baxter stated that PREA would not accept the case. The case was turned over to Pierce County Sheriff's Department.

At 8:15am Deputy T. Larson was the first responding Officer along with Forensics Officer Steve Mel, both with the Pierce County Sheriff's Department. At that time I escorted both officers to the Training Room where they were briefed and given a complete packet of the incident. After the briefing, Deputy Larson and Forensics Officer Mel were escorted to CCU where the incident had occurred. At approximately 8:50am, Pierce County Sheriff's Detective Ray Shaviri arrived at the facility and was escorted to CCU. Detective Shaviri was briefed and given a complete packet of the incident.

At approximately 9:30am Deputy Larson departed the facility to Bremerton Hospital to pick up the sexual assault kit. Correctional Officer Darren Gooding remained in CCU with Forensics Officer Mel who processed the scene for evidence. I escorted Detective Shaviri to the Medical Clinic to interview Offender [REDACTED]. At approximately 10:38am Correctional Investigator Henry Keller,

Detective Shaviri, Forensics Officer Mel and myself went to the Hearings Lieutenants' Office to sign out the evidence.

NARRATIVE:

The following interviews were conducted during the course of this investigation.

Offender [REDACTED]

Detective Shaviri and I interviewed Victim Offender [REDACTED]. The interview was audio taped with her consent. The following is a brief summary of that interview.

Offender [REDACTED] told us that she had asked Officer Mikelsen if she could clean because her cell was hot. Offender [REDACTED] stated that Officer Mikelsen told her "sure", and then asked her to come into the CCU east pod property room to lift a box. Offender [REDACTED] said once inside the property room, Officer Mikelsen was standing behind the door and shut it. She stated that he stood in front of the door, took off his radio and put it on the shelf. Offender [REDACTED] stated that Officer Mikelsen then took off his belt, and began taking off his pants.

Offender [REDACTED] stated that she stared at Officer Mikelsen for a minute then asked what he was doing. She stated that he told her that if she had sex with him she will be allowed to have the rest of the night out of her cell and he would get her drugs and a package. Offender [REDACTED] stated that Officer Mikelsen pulled her grey shorts down while turning her around to face the corner of the room. She said that he told her she had a nice body and commented on her tattoo. Offender [REDACTED] stated that Officer Mikelsen then grabbed her around her stomach and entered her vagina with his penis. She stated after about two minutes he said "I haven't had any in a long time, please excuse me." Offender [REDACTED] stated that she told Officer Mikelsen that she wanted out. She stated that he told her to wait until he put his cop gear back on and he would leave first so the booth Officer, John Dunn would not see him. Offender [REDACTED] stated that he turned off the light and told her if he closed the door behind him do not come out. She said he left the door open and she came out.

Offender [REDACTED] said after the incident she felt violated and decided to use the towel to wipe herself and also used a swab to preserve evidence in case no one believed her. She said right before the 9:00pm count Office Mikelsen came to her cell and asked "Have I been had? Are you going to tell?" She said she felt violated and waited until the next shift of Officers arrived before she reported the incident. (See attachment 13)

Offender [REDACTED]

Offender [REDACTED] was interviewed in the Main Institution Visit room and was identified as Offender [REDACTED] cell mate. Offender [REDACTED] seemed very reluctant and scared to make any statements. She stated that Offender [REDACTED] entered their cell and appeared to be upset and was crying. Offender [REDACTED] told Offender [REDACTED] that she was upset because some of the other offenders wanted her (Offender [REDACTED]) to have sex with Officer Mikelsen so he could provide them with drugs and other privileges. Offender [REDACTED] stated that Offender [REDACTED] told her that Offender [REDACTED] had told Officer Mikelsen that she (Offender [REDACTED]) had a crush on him. Offender [REDACTED] stated that she had this conversation with Offender [REDACTED] after she had sex with Mikelsen.

Offender [REDACTED] stated that Offender [REDACTED] came into their room and told Offender [REDACTED] that she didn't think she would really do this. She said Offender [REDACTED] told Offender [REDACTED] to take a shower but before doing so to wipe herself with the towel and swab her vaginal area to preserve any evidence of the sex. Offender [REDACTED] said she saw Offender [REDACTED] swab herself with a Q-tip and also wipe her vaginal area with a towel.

Offender [REDACTED]

Detective Shaviri and I re-interviewed Offender [REDACTED] for a second time with the new information we received from Offender [REDACTED]. This time Offender [REDACTED] gave us a second detailed, taped statement regarding what had happened.

Offender [REDACTED] stated that on June 26, 2006 she was having dinner in the Main Institution Dining Hall with Offender [REDACTED] and Offender [REDACTED]. She stated that Offender [REDACTED] told them that Officer Mikelsen had asked her if she would have sex with him at which time Offender [REDACTED] told him that by the end of the night she would find someone to have sex with him. Offender [REDACTED] stated that Offender [REDACTED] asked her (Offender [REDACTED]) if she would have sex with Officer Mikelsen. Offender [REDACTED] stated that Offender [REDACTED] began begging her saying that afterwards she would make him bring in tobacco, drugs and send her a package. Offender [REDACTED] stated that at that point she told Offender [REDACTED] she would think about it hoping she would drop it. After they left the dining hall they decided to go to the Gym because Offender [REDACTED] wanted to discuss the plan further but were kicked out by Correctional Officer Presley because it wasn't CCU gym time. Offender [REDACTED] said they continued their talk and she finally agreed to have sex with Officer Mikelsen.

Offender [REDACTED] said Offender [REDACTED] and Offender [REDACTED] stayed outside for their hour out and she went inside to take a shower because she knew she was

going to have sex with Officer Mikelsen. Offender [REDACTED] stated that once she was finished with her shower she got dressed. She pushed her button and told the booth officer that she was coming down to clean. Offender [REDACTED] said she approached Officer Mikelsen and asked if she could clean because her cell was to hot. Offender [REDACTED] stated that they sat at the table and he asked what she wanted to clean. Offender [REDACTED] stated that's when Offender [REDACTED] came and sat with them. She stated that Offender [REDACTED] began telling Officer Mikelsen that Offender [REDACTED] used to be her ex-girlfriend, that Offender [REDACTED] had a crush on him and had been talking about having sex with him all night.

Offender [REDACTED] stated that Officer Mikelsen got up from the table and went inside the property room. She stated that Offender [REDACTED] told her (Offender [REDACTED] "He's waiting for you to go in there." Offender [REDACTED] stated that she got up, went inside and asked if she could come in. Offender [REDACTED] stated that she went inside and closed the door. Offender [REDACTED] stated that she asked Officer Mikelsen what she was supposed to do. She stated that he told her to take off her shorts, turn around and bend over. Offender [REDACTED] stated that Officer Mikelsen then stuck his penis inside her vagina. Offender [REDACTED] stated that she began to cry and Officer Mikelsen said "I am almost done. I am an old man it does not take me very long." Offender [REDACTED] said it lasted about two minutes. Offender [REDACTED] stated that Officer Mikelsen came inside of her and she turned around and pulled her shorts up. She asked if she could leave and that's when he said that he would go first. Offender [REDACTED] said Officer Mikelsen left and then she walked out. When asked if she was wearing any underwear Offender [REDACTED] said, "No, it was hot that day".

Offender [REDACTED] stated that everyone in the pod was saying [REDACTED], "I want some of what you got" and that's when she told Offender [REDACTED] to go inside the cleaning closet where Offender [REDACTED] followed them and asked what happened. (Offender [REDACTED] stated that [REDACTED] is what the offenders commonly refer to her as.) Offender [REDACTED] stated that she told her "What you told me to do". Offender [REDACTED] stated that Offender [REDACTED] started telling her that she was better than that and that if Offender [REDACTED] wanted it so bad she should have done it. Offender [REDACTED] stated that while they were talking, Offender [REDACTED] was telling Officer Mikelsen to say that I was lifting boxes in the property room. Offender [REDACTED] said she came out of the cleaning closet and told Officer Mikelsen to stick to the story because everyone saw her come out of the property room.

Offender [REDACTED] stated that she went to her cell to do what Offender [REDACTED] had told her to, to preserve evidence by swabbing the inside of her vagina and wiping herself on a towel and then taking a shower. Offender [REDACTED] stated that Offender [REDACTED] told her if she did not receive the package from Officer Mikelsen and if no body believed her she would have evidence.

Offender [REDACTED] stated she went to the third tier and took a shower. She stated that later she went to mail call and Officer Mikelsen told her to cell up. She said Officer Mikelsen later came to her cell door and asked her if he had been had, then asked if she was going to tell, she stated that she told him "no." Offender [REDACTED] stated that she felt guilty and threw her towel in the laundry bag.

Offender [REDACTED] stated that at approximately 10:30pm she could not stop crying, and had to get it off her chest. She stated that she pushed her intercom button and told the booth officer that she had an emergency. At that time she was informed that Officer Goodnight would be notified. Offender [REDACTED] stated that while sitting with Officer Goodnight she was crying and after a few minutes she told him she had sex with Officer Mikelsen. She stated that she was returned to her cell until the Sergeant was notified.

Offender [REDACTED] said about ten minutes later she was told to report to the conference room. She said that Correctional Sergeant Donald Wilson and Correctional Officer Andrew Cozzolino were waiting in the conference room. Offender [REDACTED] stated that after giving them an untrue statement she returned to her cell and approximately fifteen minutes later the booth officer told her to get dressed as she would be going to the clinic.

Offender [REDACTED] stated that she had planned this with Offender [REDACTED] and Offender [REDACTED] earlier during the day. She said she did not know when and where this was going to take place. She said Offender [REDACTED] had already spoken to Officer Mikelsen and told him that she (Offender [REDACTED]) would have sex with him. Offender [REDACTED] said when Officer Mikelsen went into the property room, Offender [REDACTED] told her to follow him inside he'll be waiting. She said she went into the room knowing she was going to have sex with Mikelsen.

(See attachment 14)

Correctional Officer Terry Mikelsen

At approximately 2:45pm Correctional Officer Terry Mikelsen was in the training room with Correctional Captain Michael Green and Investigator Henry Keller. In the presence of Captain Green, Investigator Keller and I Detective Shaviri advised Officer Mikelsen that he wanted to talk to him about some accusations made against him in the facility. Officer Mikelsen immediately asked for his Union Representation at which time Detective Shaviri informed him that this was a criminal case and that The Department of Corrections was no longer involved. Detective Shaviri advised Officer Mikelsen of his Miranda warnings which he said he understood and said he did not wish to talk to him. At that time Detective Shaviri told Officer Mikelsen that he was under arrest. Officer Mikelsen never asked him what he was being charged with or who had accused him of committing a crime. Officer Mikelsen only wanted to know if he was going to lose

his job over this. Detective Shaviri advised him not to discuss the incident since he had asked for an attorney. Detective Shaviri notified Transport Officer Phil Bernel who transported Mikelsen to the Pierce County Jail where he was booked for Custodial Misconduct in the first degree.

Offender [REDACTED]

Detective Shaviri and I interviewed Offender [REDACTED]. Offender [REDACTED] told us that she did not plan anything and that Officer Mikelsen was set up entirely by [REDACTED]. Investigator Keller informed me that Offender [REDACTED] had a track record of lying and introducing contraband into the facility. (See attachment 16)

Offender [REDACTED]

Offender [REDACTED] was interviewed in the Segregation Dayroom by Detective Shaviri and I. Offender [REDACTED] agreed to give us a taped statement. Offender [REDACTED] was very detailed regarding what had happened. She stated that she and Offender [REDACTED] had convinced Offender [REDACTED] to have sex with Officer Mikelsen. She said she never thought Offender [REDACTED] would actually go through with the act. Offender [REDACTED] said she told Offender [REDACTED] to preserve evidence by swabbing her self and using the towel to wipe herself. Offender [REDACTED] said Offender [REDACTED] was crying after the incident and regretted doing it. (See attachment 15)

CONCLUSION:

Detective Shaviri, reviewed the video tape from the Close Custody Unit east pod where the property room is monitored by video cameras. Detective Shaviri reviewed the video tapes dated June 26, 2006 from approximately 7:11pm. It was discovered that Offender [REDACTED] was sitting next to Officer Mikelsen and Offender [REDACTED] was seated across from them. At about 7:11:56pm Officer Mikelsen got up and was walking towards the property room which was about 10 to 15 feet away. As Officer Mikelsen walked away from Offender [REDACTED] and Offender [REDACTED] he stopped briefly and looked in the direction of Offender [REDACTED]. He was then seen opening the door to the property room and entering inside. Offender [REDACTED] followed him almost immediately and also went into the same property room. When this happened, Offender [REDACTED] got up and started sweeping the dayroom area around the property room but stayed in that area the entire time. At 7:15:48pm Officer Mikelsen was seen coming out of the property room and Offender [REDACTED] came out a few seconds later. Offender [REDACTED] was seen walking straight across the dayroom towards the area where her cell 207 is located on the second tier. Officer Mikelsen came towards the camera then walked away. A few minutes later he left the area. A copy of this tape was given to Detective Shaviri for evidence. (See attachment 18)

At approximately 12:30pm, Forensics Officer Mel notified Detective Shaviri by cell phone and advised him that he had discovered biological fluids on some of the personal items that belong to Offender [REDACTED]

Offender [REDACTED]

On June 30, 2006 Intelligence and Investigation Unit received an Offender Kite dated June 29, 2006 to Chief Investigator Kelly from Offender [REDACTED]. The kite stated that it wasn't the first time Officer Mikelsen had approached someone and offered to bring tobacco in exchange for "favors." It also stated that during her (Offender [REDACTED]) stay in Segregation he approached her several times and also gave her (Offender [REDACTED]) his phone number to call, which she still has. (See attachment 19)

I interviewed Offender [REDACTED] in the Segregation dayroom at which time she gave me a piece of paper with a phone number [REDACTED] that had Monday & Tuesday off, Wednesday – Sunday leave at noon. Offender [REDACTED] stated that Officer Mikelsen opened her cuff port in Segregation, gave her his number with a book and asked if she need anything to call him before noon, because that is the time that he leaves his home to come to work. She stated that she has not called him. Offender [REDACTED] said she would take a polygraph to prove that Officer Mikelsen gave her the number.

She stated that he told her that when she is release, he could set her up real good, she could live in one of his apartments.

Offender [REDACTED] said that Officer Mickelsen was the booth Officer and talked with her on the intercom throughout his shift. She said during their conversation at one point he told her that he was "Jacking off." She said that he would bring tobacco inside the facility for her when she was released from segregation, she could come to the clinic when he was working.

It was verified that the number Offender [REDACTED] had was Officer Mikelsen's home number that was provided to the Human Resources Office. It was also verified that no calls from offender's phone was placed to Officer Mikelsen's home.

POLYGRAPH:

On June 11, 2006 GSR Polygraph Services William D. Tufts administered polygraph to Offender [REDACTED]

Prior to the polygraph the subject was advised of her Polygraph Rights and waived these rights by signing the attached form.

Based on the physiological response produced by the subject on three (3) polygraph charts, in the opinion of this examiner, she was not attempting deception when she answered "yes" to the following relevant questions:

1. Did Officer Terry Mikelsen ever give you his home phone number while you were in segregation?

Based on the erratic physiological response produced by the subject on three (3) polygraph charts, in the opinion of this examiner, chart recording were not adequate to form a definite opinion as to truth or deception when she answered "yes" to the following relevant questions: (See Attachment 26)

KEVIN STOCK
COUNTY CLERK

SUPERIOR COURT OF WASHINGTON FOR PIERCE COUNTY

STATE OF WASHINGTON,

Plaintiff,

CAUSE NO. 06-1-02910-2

vs.

TERRY MICHAEL MIKELSON,

DECLARATION FOR DETERMINATION OF
PROBABLE CAUSE

Defendant.

MARY E. ROBNETT, declares under penalty of perjury:

That I am a deputy prosecuting attorney for Pierce County and I am familiar with the police report and/or investigation conducted by the PIERCE COUNTY SHERIFF, incident number 061780244;

That the police report and/or investigation provided me the following information;

That in Pierce County, Washington, on or about the 26th day of June, 2006, the defendant, TERRY MICHAEL MIKELSON, did commit the crime of Custodial Sexual Misconduct in the First Degree.

On June 26, 2006, Pierce County Sheriff's Deputy Larson contacted Investigator Baxter at the correction center in Purdy; Baxter reported that a female inmate had reported being raped by a guard; the female was taken to Harrison Hospital in Bremerton; the victim had used a Q-tip swab to collect evidence from herself, which were placed into an evidence room at the correction center.

On June 27, Detective Shaviri responded to the scene with a forensic technician; Detective Shaviri contacted the female inmate [redacted] who reported the following: the defendant, Terry Mikelson, is a guard at the prison; he asked her to go into the property room to assist with carrying some boxes; while she was in the room, he told her he would allow her to have special privileges if she would have sex with him; she did allow him to have sex with her, but afterwards she felt violated; she wiped herself with a towel and then she used a swab to collect evidence in case no one would believe her; she later admitted that she and a couple other inmates, [redacted] and [redacted] wanted to get special privileges from the defendant like getting drugs; [redacted] told the defendant [redacted] would have sex with him and set up that [redacted] would meet him in the property room which she did.

Detective Shaviri reports that video surveillance corroborates that the defendant went into the property room, immediately followed by [redacted] and the third inmate, who reported set up the sexual encounter stayed outside the room sweeping; the forensic technician with Detective Shaviri collected potential evidence of biological fluid from the property room floor.

Detective Shaviri contacted the defendant who immediately asked for an attorney. Detective Shaviri then contacted [redacted] who denied setting up any sexual encounter and he contacted [redacted] who confirmed that she and [redacted] had convinced [redacted] to have sex with the defendant, but she didn't.

Synopsis:

Narrative: On 06/27/06 at about 0715 hours, I received a page from Lt. Rick Adamson regarding this case. He asked me to respond to the Purdy Correction's facility for women regarding a rape.

I arrived at the facility at about 0850 hours. On arriving, I met Deputy T. Larson who was the first responding Officer and also Forensics Officer Steve Mel, both with the Pierce County Sheriff's Department. I also met Chief Investigator Kelly Kelly with the Department of Corrections.

Kelly advised me that the allegations were made by an inmate named [REDACTED] with an AKA of [REDACTED]. [REDACTED] was currently in the facility clinic. [REDACTED] had notified the Prison staff about this last night at about 2200 hours and since then they had taken her to a hospital in Bremerton to have a sexual assault exam done. Kelly said that [REDACTED] had used a towel to wipe the semen off her and had also swabbed herself after the incident.

The incident occurred in a storage room which is used to store items belonging to the inmates. Kelly told me that no inmates are allowed inside this storage room. The room is in the Closed Custody Unit's East Pod commonly referred to as the CCU's east pod. This is a common area where the inmates are allowed to interact during certain hours. Forensics Officer Mel processed the scene for evidence. (See sup report by Steve Mel)

Deputy Larson told me that he would pick up the sexual assault kit from the hospital in Bremerton and book it into evidence (See sup report by Deputy Larsen)

Ms. Kelly and I first interviewed victim [REDACTED]. The interview was audio taped with her consent. The following is a brief summary of that interview. [REDACTED] told us that Correction's Officer Terry Mikelsen had asked her to come into the property room in question to assist her with carrying some boxes. She said while she was in the room he told her that if she had sex with him she will be allowed to have special privileges. [REDACTED] said she did as she was told and had sex with Officer Mikelsen. She said after the incident she felt violated and decided to use the towel to wipe herself and also used a swab to preserve evidence in case no one believed her. She said she felt violated and waited until the next shift of Officers arrived before she reported this. (See attached transcripts of the taped statements)

Next we interviewed [REDACTED]'s roommate [REDACTED]. [REDACTED] seemed very reluctant and scared to make any statements. She did say that she had heard from [REDACTED] that some of the other inmates wanted her to have sex with Corrections Officer Mikelsen so he could provide them with drugs and other privileges. She said [REDACTED] told her that an inmate named [REDACTED] had told Officer Mikelsen that she had a crush on him to facilitate this. She said she had this conversation with [REDACTED] after [REDACTED] had sex with Mikelsen. She said [REDACTED] was upset and crying. She said she saw [REDACTED] swab herself with a Q-tip and also wipe her vaginal area with a towel. She said an inmate named [REDACTED] came into their room and told [REDACTED] that she didn't think she would really do this. She then told [REDACTED] to take a shower but before doing that wipe herself with the towel and swab her vaginal area to preserve any evidence of the sex.

Investigator Kelly and I confronted [REDACTED] for a second time with this new information we had. This time [REDACTED] gave us a second detailed statement on tape regarding what had happened. She said she had planned this with inmates [REDACTED] and [REDACTED] earlier during the day. She said she did not know when and where this was going to take place. She said [REDACTED] had already spoken to Officer Mikelsen and told him that she [REDACTED] would have sex with him. [REDACTED] said when Mikelsen went into the property room [REDACTED] told her to follow him inside since he was waiting. She said she went into the room and had sex with Mikelsen. (See attached transcripts of the taped statement)

Investigator Kelly also advised me that the area of this property room is monitored by video cameras. We viewed the tapes from the approximate times as a related to us by [REDACTED] and discovered that on 06/26/06 at about 1911 hours, she was sitting next to Officer Mikelsen and across from them seated was [REDACTED]. At about 1911.56 Officer Mikelsen got up and was walking towards the property room which was about 10 to 15 feet away. As he walked away from [REDACTED] and [REDACTED] he stopped briefly and looked in the direction of [REDACTED]. He was then seen opening the door to the property room and entering inside. [REDACTED] followed him almost immediately and also went into the same property room. When this happened, [REDACTED] got up off her seat and started sweeping the area around the property room but stayed in that area the entire time. At 1915.48 hours Officer Mikelsen was seen coming out of the room and [REDACTED] came out a few seconds later. [REDACTED] was seen walking straight across the common room towards the area her own room was located. Officer Mikelsen came towards the camera then walked away and a few minutes later left the area. A copy of this tape was placed into evidence.

At about 1230 hours, Forensics Officer Mel called me over the phone and advised me that he had discovered

biological fluids on some of the personal items that belonged to the victim that he had taken into evidence.
(See attached report by Officer Steve Mel)

At about 1445 hours, we were advised that Officer Mikelsen had come to work at the facility. Captain Green had him wait for us in their training room. I advised Mikelsen that I wanted to talk to him about some accusations made against him in the facility. He immediately asked for his attorney. I advised him of his Miranda warnings which he said he understood and said he did not wish to talk to me. I told Mikelsen that he was under arrest. Mikelsen never asked me what he was being charged with or who had accused him of committing a crime. He wanted to know if he was going to lose his job over this. I advised him not to discuss the incident since he had asked for an attorney.

Transport Officer Phil Bernel transported Mikelsen to the Pierce County Jail where he was booked for Custodial Misconduct in the first degree.

Next, investigator Kelly and I interviewed [REDACTED]. [REDACTED] told us that she did not plan anything and that Officer Mikelsen was set up entirely by [REDACTED]. Investigator Kelly told me that [REDACTED] had a track record of lying and introducing contraband into the facility. (See detailed report by investigator Kelly)

After Kelly, we interviewed [REDACTED]. She agreed to give us a taped statement. [REDACTED] was very detailed regarding what had happened. She said she and [REDACTED] had convinced [REDACTED] into having sex with Officer Mikelsen. She said she never thought [REDACTED] would actually go through with the act. [REDACTED] she told [REDACTED] to preserve evidence by swabbing her self and using the towel to wipe herself. She said [REDACTED] was crying after the incident and regretted doing this. (See attached transcripts of the taped statement)

Case forwarded to Prosecutor's Office for review.

Sexual Assault Nurse Examiner (SANE)
Authorization Form**

AUTHORIZATION FOR EXAM REQUESTED BY VICTIM / PARENT / GUARDIAN

I hereby request a forensic examination for evidence of sexual assault/abuse and treatment for sexual assault care including emergency contraception and sexually transmitted disease prevention. I understand that collection of evidence may include photography of injuries and these photographs may include the genital area. A Sexual Assault Nurse Examiner (SANE) Examiner will conduct the examination.

I fully understand that the above requested forensic examination and information may be used by Law Enforcement Officials. In the event of an investigation of a crime, I hereby consent to the release of sexual assault information to Law Enforcement Officials and release of the Forensic chart and evidence to the Prosecuting Attorney's Office.

I hereby authorize the SANE Program to request all past medical records that may be needed related to this present examination of abuse / assault.

The SANE Program has permission to use the photography for quality assurance and teaching purposes. Patient confidentiality will be maintained by the SANE program for all patient data.
